## “FOR SUCH A TIME AS THIS”

**Who knows whether you are come to the kingdom for such a time as this? Esther 4:14**

As I have been praying and seeking the Lord in recent days, this word keeps coming to me over and over again. Despite our present economic situation, diverse troubles and upheavals that continue to hit this nation and the world in general, the Lord is beginning to unveil His master plan for the end of times. We are entering what may be the most difficult and dangerous time in the history of this planet. **We are not living in times when we should conduct ourselves in a business as usual mode.**

As you look to see what is taking place all around us, you get the feeling that the world is coming apart at the seams. Weather related disasters such as floods, fires, earthquakes, hurricanes, volcanoes, tsunamis etc. are now occurring with greater intensity, and with such increasing frequency that you can barely keep up with them. The economic situation in the world is in deep trouble; to such an extent that many nations are now on the verge of economic collapse. This in turn is causing much civil unrest and outright revolt in the masses of people all over the world struggling to survive.

Recently, the Lord gave me a word that is very troubling to say the least. I had just returned from a trip to Cuba, and was not feeling very well. After prayer, I went to bed early. **The Word of the Lord came to me at night and said three times to me: “They have planned a super de-evaluation to bury the U.S. dollar”.** I did not understand what the Lord meant by the term super de-evaluation, but was told by someone that it probably would be much worse than the de-evaluation of the currency in Argentina years ago.

Recently I was also given a vision where I was in a Moslem training center for terrorism, and there were many Muslims in the room. The Lord allowed me to see and hear everything that was going on in their secret training center. They were all given two large tubes containing a bluish liquid. They were instructed on how to mix them together to create a large explosion. This group of men was being trained for a specific terrorist event to take place (*I heard the date March 7, although the year was not revealed*).

Two thousand years ago, **Jesus Christ prophesied that there would come a time in the future, when the hearts of the people would fail them for fear of things that were coming upon the world.** All these things were prophesied to take place before the end of times as we know it. The word of God states that there is coming a time when the Lord will bring to an end this age, and establish His Kingdom on a revamped new planet earth.

This process will not be easy or pleasant to watch. These things have been shown to me in a vision. There will be much pain and suffering; most of it caused by the devil through his chosen vessels on this earth. However, the

final act belongs to the Lord alone. As He presses the reset button, **this world will go through changes of such cataclysmic proportions, the likes of which the world has never seen (Mathew 24:21).**

The Lord has a plan for His people in the end times. We are living in a time when God’s people need to walk in faith, and keep their eyes on Jesus. If people keep their eyes on all the tragedies and horrible things that are taking place in the world right now, they will become fearful, stressed and without hope. We are not like the rest of the people in the world that have no hope. We have a blessed hope that is returning for us.

Jesus told us to **“Be careful, or your hearts will be loaded down with carousing, drunkenness, and cares of this life, and that day will come on you suddenly; for it will come like a snare on all those who dwell on the surface of all the earth. Therefore be watchful all the time, praying that you may be counted worthy to escape all these things that will happen and to stand before the Son of Man.” (Luke 21:34-36).**

This scripture speaks of the world situation becoming so critical just prior to the Day of the Lord that people will become depressed, overburdened and weighed down. The Lord said we should watch and pray when these things begin to take place, so we may be accounted worthy to escape the things that will take place in verses 25-26, and be ready for verse 27.

The Lord has prepared His chosen vessels, which are already beginning to appear on the face of the earth. **Along with the terrible events that we are starting to see, we also shall begin to see God’s right hand of power as He manifests His glory in all the earth.** The whole earth will cry with deep groaning at the appearing of the manifested sons of God when they are now revealed arrayed to do battle against the kingdom of Satan.

We are now entering the greatest time of Church growth, rivaling that of the first century Church. Back then they met in homes, in the fields and all over the place. The greatest outpouring the earth has ever known will soon be upon us. It is time for the Church to rise up and take your rightful place in the Kingdom. It is a time for the Church to seek Him like never before, as we go forth into battle, and bring in the last end time harvest of souls.

**The Lord has brought us into the Kingdom for such a time as this. All the trials, persecutions, suffering and tribulations have served to prepare us and make us ready for what lies right before us.** This is not the time to become depressed, fearful and draw back into hiding. The King of Glory is summoning us right now out of complacency, legalism and the business as usual mentality to come forth and shine with His glory. We are about ready to experience the most glorious time in the history of the earth. May you have ears to hear, and obey the word of the Lord. Shalom

# Ministry Report

***B***ut without faith it is impossible to please him: for he that comes to God must believe that he is, and that he is a rewarder of them that diligently seek him. By faith Noah, being warned of God of things not seen as yet, moved by fear, prepared an ark to the saving of his house; by which he condemned the world, and became heir of the righteousness which is by faith. By faith Abraham, when he was called to go out into a place which he should later receive for an inheritance, obeyed; and he went out, not knowing where he went. By faith he sojourned in the land of promise, as in a foreign land, dwelling in tents with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which has foundations, whose builder and maker is God. Hebrews 11:6-10

What a blessed time to be alive and serving the King of Glory. I would not trade places with any saint in the past. My eyes are about to behold the glory of the coming of the Lord, and His power manifested in all the earth. I thank God every day for allowing me the great honor to be a part of His church, and the privilege to serve Him in His Kingdom.

I wish I were able to impart what I feel to you and open your eyes to understand the times and seasons that we are in right now. However, I can only pray and hope you do. ***Apostles and prophets of old longed to see and hear the things we are now experiencing. Everything that has happened in the past, has served to bring us to where we are today.***

In the month of January we went to Cuba, where we were for almost a week training a group of about twenty pastors and it was a tremendous and fulfilling time. This was the first time we met with this group of pastors, so we spent some quality time just getting to know them and building a relationship with them.

They are a wonderful group of very talented and gifted people, who are passionate and very hungry to be taught foundational truths about the apostolic and prophetic. There was a lot of interest among them, as some of them traveled many miles just to be in the seminar. We taught, trained and fed them lunch for two consecutive days. On Sunday we ministered in the church of the hosting pastor and the Lord blessed.

As some of you may already know, the situation in Cuba is not very good. Most people struggle just to put food on the table for their families every day, due to both the lack of food and financial resources. It is virtually impossible to obtain medicine, even simple items like aspirin or flu medicine. Most items of any value must be purchased using an artificial form of currency known as CUC which must be purchased upon arrival to Cuba. You normally receive 0.80 (CUC's) for \$1.00 (The U.S. Dollar has been devalued in Cuba) although most items are sold at the same prices you would pay for them in this nation.

Products that involve high technology are extremely expensive to purchase in Cuba. For example, any desktop computer sells for over \$1,000 CUC's (\$1,300 dollars). This becomes prohibitive when you realize that most workers in Cuba make approximately \$15 dollars/month. One of the pastors we met was a doctor who gave up his career to obey the call of God on his life. Doctors make just a bit more money (about \$25/month) unless they work for the Government; in case they are sent all over the world for extended periods of time.

***We have a big vision for Cuba to establish an apostolic / prophetic church there.*** We would like to provide computers for the main contact pastor there and the apostolic coordinator so they may be able to download all our studies that we post on our website, and the ones we send them thru e-mail. Also, we would like to give about \$20/month to a core group of these pastors (about four right now) to help them. Also in the future we would like to purchase a property to build a Training Center on it for training

pastors and five fold ministers. These are just a few of the many things which we would like to do in Cuba to establish the Kingdom of God there, but that is all I will share with you in this report.

***We are aware that we cannot do this alone.*** We do not receive an income from any congregation, denomination or group. We depend totally on God to meet our needs, and overseas travel expenses. Likewise, we will depend on the Lord to fulfill our vision for Cuba, and other countries of the world the Lord will take us to. As the economic crisis deepens in America and in the whole world, this may loom before us as a great challenge. ***However, we serve a God of miracles. He is the same yesterday, today and forever. What He has done before, He can and will do it again. We'll see the glory of God if we believe.***

As I am writing this report, it is being reported in the news that President Barak Obama has removed all traveling and financial restrictions for Cuban Americans traveling to Cuba. This is a great miraculous breakthrough that we have been praying for, and now God has answered our prayer. This will facilitate securing visas for travel to Cuba, as well as making the work we need to do there easier. There is a potential for even greater breakthroughs in the near future.

The angel of the Lord protected me in more than one circumstance, and guided me throughout the entire trip. I also would like to take this opportunity to thank those who held me up in intercessory prayer, and those of you who helped me go there financially. Let me just say that without you, I could not have even begun to take on this challenge. You will never realize the impact your prayers and finances had, but let me just say that without them I could not have accomplished what I set out to do. May the Lord reward each one of you and bless you for your kindness and faithfulness. With your help, we will endeavor to continue.

While we were in Miami, we were with Pastor Anita Lindele and ministered to the church on Saturday night. There was a heavy anointing on the preaching of the word, and many people who received personal ministry were healed, delivered and set free. On Sunday morning we were with our friend Boris Acosta. ***There was a very strong prophetic unction in the house. I was in the middle of sharing a prophetic experience (Do You Know What Time It Is? – See Visions and Dreams Section in our website)*** when a sister raised her hand.

As I acknowledged her, she said that her watch had mysteriously stopped at 12:20. This was a confirmation of the word I had just shared. Then right after, her husband raised his hand and said his watch had also stopped at the same exact time. Needless to say, the church became silent and the presence of God filled the whole house. God had confirmed His word once again with signs and wonders following.

In the month of March we traveled to Albany, Georgia to be with our friend pastor Betty Jackson. We had a training session with the leaders and intercessors on Saturday morning, and then on Sunday we ministered to the whole church. The Lord as always honored us with His presence as he ministered healing and deliverance to many in the house.

In the latter part of March we traveled to Americus, GA to be with our dear friends Martin and Marnie Cagle and the Church of His Presence. We were with them in a crusade Thursday through Saturday. We conducted various training sessions with the people on Friday, Saturday and Sunday mornings. The people were hungry and eager to learn truths from the word of God. The Cagles are doing an excellent job in Americus.

Finally on Sunday afternoon, we drove from Americus to Columbus to fill in for our precious sister Dora Bernal who was taken to the hospital in emergency with a ruptured appendix. We appreciate your prayers on her behalf for a miracle. God bless you my friends. Shalom.
