**"ELENIN - A SIGN IN THE HEAVENS"**

April/June

**F**or I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us. For the earnest expectation of the creation waits for the manifestation of the sons of God. For the creation was made subject to vanity, not willingly, but by reason of him who has subjected the same in hope, Because the creation itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groans and travails in pain together until now. And not only they, but ourselves also, who have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, that is, the redemption of our body. *Romans 8:18-23*

In our previous report we focused mostly on the disasters and cataclysmic events that are taking place on the earth. We gave warning after warning, confirming everything we said by providing to you the internet links proving these things are indeed happening and getting worse by the day. *Since the last newsletter, there have been continuing and escalating large earthquakes, sinkholes, volcanic eruptions and bizarre weather patterns all over the world.* Sometimes it seems I am watching science fiction movies.

Our planet continues to groan with labor pains as it keeps having large earthquakes, volcanic eruptions, earth changes and multiple bizarre occurrences. Last month during my two ministry trips, we *encountered severe huge hail storms the likes of which I have never seen in my 30 years of traveling ministry.* Only God's intervention prevented our vehicle from being destroyed. Right now severe droughts and high temperatures are hitting the nation hard.

We share some links about news articles and videos we believe are important at the end of this newsletter. However, after much prayer I am persuaded to go now in another direction; we are going to pick up where we left off in the last one talking about the hidden ones about to be revealed. In the seasons of God there is a time for light and a time for darkness. *Humanity is now entering a time of great darkness the likes of which the world has never seen.*

The powers of darkness have their people in place, ready to fulfill their designated roles whenever the signal is given or a trigger event happens. They all seem to be waiting for that event to happen.

*However, meanwhile the kingdom of darkness is preparing its people, God is preparing His.* They will be the Lord's hidden ones. What they will do is to bring on the glory of the kingdom such as man has never seen before. Jesus' instruction to us in the last days as we recognize the prophetic signs unfolding is to "look up" (**Luke 21:28**). This instruction now appears to be much more literal than we may have previously understood.

Apostle Paul said in **2 Corinthians 3:7-11** that in this present dispensation the glory of God would be greater than in the days of Moses. It hasn't happened yet, so something has to take place for the glory of God to be greater than in days of Moses. Whatever it is, it will be catastrophic to the kingdom of darkness. *It will be something so huge that the entire world will know beyond a doubt that a glorious-holy-terrifying Divine Intervention has taken place; the manifestation of the sons of God.*

It is time for His Bride to come into alignment. We must begin to allow our spirit man to completely rule over our soul. It is time for all kinds of religious entertainment to come to an end and for every child of God to become full of His light, presence and power. Something is about to be born; a transformation is about to take place. *God has His men and women who will come forth in these last days,* just like Moses did from the hidden place in the desert, where they have been trained in the ways of God.

Everything they thought they understood, knew or hoped has been stripped away because that is part of the breaking everyone who is used of God must go through. We had to go through the stripping of all our human hopes, dreams and visions. We had to go through these seasons so that God's will and plan could manifest just like it happened with Moses. *There is no greater authority upon the earth than a man commissioned by God speaking the words and doing the things given to him by a Holy God.*

It is very important that we understand this and how our life plays into it, because when the Spirit summons us to do that thing we were created to do and the door opens, we must take our place. If God has called you to be a Moses, you must understand what you are being trained for so you can walk in it. *You must press into God or you will miss it. Deep down inside you know there is*

**something more, much greater that God has for you.** You must arise, begin to pray and spend time and talking to Papa.

God dwells in the Light. For Him to live within us, as we were created to, we must be filled with His Light. It is important to know God's time clock and His seasons. **This is the day, the time and season that God is going to bring forth a Church without spot or wrinkle, filled with His Glory, power and light.** Joseph is another man, who like Moses, was created for a purpose. He was raised like Moses and sold into slavery where he was processed, as God developed in him character, wisdom and strength.

**If God has called you to be a Joseph, you must understand your divine purpose and walk in it.** You have been given much wisdom in the area of business and finances to use you in these last days to prepare a place for the people of God when difficult times come upon this world. We are now beginning to see many of these things come to pass, but the people of God are not ready and prepared for what is fast coming upon them. That's the burden of my heart that is consuming me day and night.

**God is raising up a company of Moses, Elijah and Joseph; men who will join ranks and work together united by a heavenly vision, and working towards a common goal in order to lead His people across the Jordan and into the Promised Land.** This requires sacrifice and the laying aside of personal goals, dreams and agendas. They are those who have been purged by the fire of God and processed in the crucible of life's trials and tests. They have learned to hear the voice of the Spirit and humbly obey Him.

This is going to be the Church's finest hour and it is connected to the very important role God's angels will play in these end times. Without the angels of God we are not going to make it through the things that are coming upon this world. Millions of Christians in the world today are not prepared for what is coming and most of them will die because of lack of preparation. **Christians in the world today know the way of the church system very well, but they do not know the way of the Spirit; the two are quite different.**

The problem is that most Christians today have no clue how to function in the spirit realm and how to walk in righteousness before God because they have been taught by the fleshly church system how to operate in religious Babylon. **The Babylon religious system is going to come crashing down in the very near future. It will not survive what is soon coming upon this planet.** We have now moved into a time when America, as well as many other nations, has crossed over the line. The Lord has been very patient.

Judgments will begin to come down fast upon the nations of the earth, but they really are redemptive in purpose as with all of God's judgments. **We should not look at this present time as a time in which we can do nothing. Quite the contrary; we must do more now than we have ever done before.** We must pray and intercede now more than we have ever done before. We must approach the throne of Grace in deep intercessions and not relent in our seeking until we see the right hand of Almighty God intervene supernaturally.

In addition something of tremendous significance is expected to be happening on 29<sup>th</sup> September 2011 when **Comet Elenin moves between the earth and the Sun, the same date of the appointed time of Rosh Hashanah. One of the most significant prophetic events may be about to take place,** a heavenly sign confirming the very season and time of the redemption and restoration of the house of Jacob spoken of in Romans 11, and the manifestation of the sons of God – the manchild of **Revelation 12.**

Let me explain. This all began last year when I was ministering

for my friend Pastor Dan Peters in Houston, Texas. Having a day off, he asked me if I wanted to watch the video titled "The Star of Bethlehem. **As I was watching the video, my spiritual eyes were opened to see Revelation 12 in a totally different light that I had never seen before.** I had never looked at that passage in the book of Revelation as an astronomical future event that would take place in the heavens. I was always taught not to as a young Christian.

However, the Bible says something entirely different, when we read **Genesis 1:14,** Psalms, Isaiah and the book of Job. **Apostle John was shown how the heavens would look in the distant future right before the Day of the Lord and the return of Yeshua. If we miss this, we will miss the signs of His second coming just like His people missed the signs of His arrival the first time He came because they were busy with their religion.** Only the wise men of the East recognized the time and season of His coming.

When Bro. Dan and I began researching this subject with his astronomy software, we found out how the heavens would look this upcoming September 29<sup>th</sup>, 2011. **We found out that constellation Virgo will be seen in the heavens at that time clothed with the sun, and the moon will be at her feet.** Elenin also will happen to be over the head of Virgo and it may be seen as a crown (especially if it fragments). This has never happened. **But that is not all; there will also be two stars in Virgo's womb (Saturn and Venus).**

This might represent the two Houses of Israel that are about to be brought forth right before the Day of the Lord. This is the end time prophetic message that runs throughout the Scriptures: **Ezekiel 37, Romans 11 Revelation 7,** and **Ephesians 2:14-16** among others. **According to ancient Hebrew tradition, when we see the planets Saturn and Venus in the womb of Virgo, the manchild is about to be born.** The end-times restoration of Zion and the manifestation of the sons of God may be getting ready to take place.

Biblically, both Saturn and Venus are seen as the remnant of the Two Houses of Israel who will soon be born in the prophesied time of the end, right before the Day of the Lord. **This remnant is described as those who keep the commandments of God and have the testimony of Yeshua (Revelation 12:17). This may explain why both Saturn and Venus are together at the same time in the womb of Virgo.** This can be seen clearly if you have an astronomy software and look at the heavens on Sept. 29, 2011.

All of this will happen even as Comet Elenin passes between the earth and the sun around September 29, 2011 and crowns the head of Virgo. So, we see in Revelation 12 that **the virgin (Virgo) is travailling with the two houses of Israel in her womb (the 12 tribes of Israel), and soon is about to give birth to the manchild (one new man-both Jew and Gentile (Romans 11), announcing that the blindness of Israel is about to be removed, and Yeshua is about to return as the Lion of the Tribe of Judah. Isaiah 49:6**

The coming of Elenin is an incredibly significant event. It could very well be the fulfillment of **Revelation 12,** which concerns the birth of the manchild (one new man), the first fruits of redeemed Israel (**Revelation 14:1-4**), also referred to in scripture as the manifested sons of God (**Romans 8:19**). **Elenin could well be a heavenly sign announcing that the time for the manifestation of the sons of God has arrived; an event which the whole creation is anticipating, groaning and convulsing in birth pangs.**

Trailing behind Elenin not far is a massive object called by many names in different civilizations. The Hopis called it the Red Kachina, the purifier; Aztecs called it the Feathered Serpent; the Mayans called it Quetzalcoatl; The Sumerians called it Nibiru; the Egyptians

and Hebrews called it Destroyer; The Chinese called it Red Dragon; the Greeks called it Apollo; Revelation calls it Wormwood and NASA calls it Nemesis, Planet X and Tyche. ***One thing they all agree on is that whenever it has come, it has caused much trouble.***

***This object comes around every 3,600 years of so; the last time was during the Biblical Exodus.*** Although this object can't be seen except through infrared lens telescopes, it has been spotted in recent months by many amateur astronomers. Photos have been taken showing its massive size, approximately 2 to 3 times the size of Jupiter. ***It also has 7 moons or planetoids orbiting around it, dragging behind it a tail-like massive debris field.*** That sounds a lot like **Revelation 12:3-4**, does it not?

Brother Dan and I have also found out with the help of his trusty astronomy software, that ***on September 29, 2011 this object will be right in front of the womb of Virgo. This has never happened before, but it is going to be taking place this year on Rosh Hashanah.*** What are the chances of all of these events taking place at the same time this year on September 29, Rosh Hashanah (Feast of Trumpets)? These events could very well be a fulfillment of **Revelation 6:12-14**, as well as **Revelation chapters 8 and 9**.

In addition to Comet Elenin, there will also be two other comets in close proximity to planet Earth at around the same time. The names of these two other comets are Levy and Honda. We have confirmed this with the help of the astronomy software, as well as with NASA's JPL website. If this holds true, ***we will be able to see three stars in the heavens come this fall. This was the vision God gave us in 2004 that might lead us right into the Day of the Lord.*** Beloved, the sand in the hourglass is almost gone.

There is a lot of activity taking place in heaven right now. You can hear the rumblings of God like thunder rolling across the sky. You may not hear it in the natural, but the spirit realm can hear it loud and clear. ***God is on the move, and when He sends out His rumblings, it is always for a purpose.*** He is going to restore, save and deliver the tribes of Jacob, both Jew and Gentile. God is revealing many things right now. It's time to look up; our redemption draws near. So long my friends; Stay in His love. Shalom
