"THE SECRET PLACE OF THE MOST HIGH"

Y ***You shall not be afraid for the terror by night; nor for the arrow that flies by day; Nor for the pestilence that walks in darkness; nor for the destruction that wastes at noonday. A thousand shall fall at your side, and ten thousand at your right hand; but it shall not come near you. Only with your eyes shall you behold and see the reward of the wicked.***

Psalms 91:5-8

We are living in times where trouble abounds. The daily news is filled with all sorts of evil, and the temptation is really strong for us to panic. If you were to react to all that is going on in the world, you would be tempted to just stay at home and hide from it all. But you need to realize that ***as children of the Most High God we do not need to be subject to these things.*** We should not be walking in fear.

We should stand out as beacons of light amid thousands of others who are walking in the midst of darkness and falling all around us. But ***there is something that we must do*** to make sure that this will be our experience. The one who lives in the secret place of the Most High will abide under the shadow of the Almighty. This is a very special place to have with God in these critical times we live in.

The secret place of the Most High is a very special experience that all of us should have. It is the experience of intimacy with God. It is called the secret place, because it is a close relationship between you and the Lord alone. ***No one else can share it with you.*** It is a place of closeness that you enter when you come into His presence in the Holy of Holies and commune with Him. It is a very private place.

It is like the intimacy of the marriage bed. It is a place that cannot be shared with anyone where love and intimacy is shared. It is a place where the enemy does not have access to. A few days ago the Spirit of the Lord took me into the deepest intercessory prayer that I have ever experienced. ***Such a heavy burden***

came over me that I could barely stand it. The agony and pain that I felt are hard to explain.

The Lord showed me that ***there would be a massive loss of life*** as a result of this horrible thing that was about to happen. Immediately I sent out an emergency e-mail to the intercessors connected to our ministry sharing with them what was going on, strongly urging them to join me in intercession in order to lessen or stop the horrible ***tragedy that was about to happen*** in America.

A couple of days later I received a telephone call from my friend Larry Taylor in Mena, Arkansas saying that the Lord had told Him that ***He had heard the prayers of His people,*** and that He would put a roadblock in the plan of the enemy to stop them. I told him that I had felt the burden lift from me that same day, and also believed God had heard our intercessions and would move to stop the plans of the enemy.

A few days later, in ***what is being called the most serious terror plot since 9/11,*** three men were arrested in N.Y. and Denver, and backpacks were found with dangerous explosives, along with laptops containing vital information according to the news. Officials are saying that more arrests may be coming in the very near future. No information was given on where the attacks were to take place, when or how.

Other sources however, have said that authorities seem to have uncovered evidence that a series of what are called dirty bombs containing radioactive materials may have been set to explode all across the country during the coming week. This is still a developing story, so all the information is not in yet. However, we do know that if the Lord had not intervened, ***there would have been a horrible tragedy.***

This does not mean that there are not other plans in the future to kill God's people and destroy this nation. For now however the power of intercessory prayer has prevailed, and the kingdom of darkness did not achieve its evil plan. Praise Him forever. Shalom!
