## "JEZEBEL"

*Nevertheless I have a few things against you, because you allow that woman Jezebel, who calls herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols. Revelation 2:20*

Jezebel is revealing herself in full force in America, the world as well as in the church. *This spirit has been operating on the earth for a long time, but it is now appearing in these last days again in full force because He is coming. The anointing of Elijah is being released to defeat Jezebel and prepare the Church for the return of the Lord.* Jezebel is not just a mere demon, but a powerful principality who rules over continents, kingdoms, nations and churches. It always hides behind a powerful male or female individual under a religious disguise. It takes an Ahab to tolerate a Jezebel.

*The purpose of Jezebel is to secretly seduce, corrupt and defile God's people by leading them away from God so that the powers of darkness can then have access to them and easily destroy them.* She knows that without the protection from heaven, they don't stand a chance. *It has been recently shown to me that there is a great, gross darkness settling over the face of the whole earth. We are about to see the full fury of hell unleashed on unsuspecting humanity* of such a magnitude the likes of which the world has not experienced since the days of Noah.

Horrible demonic powers will deceive, seduce and dominate any person who invites this hunting evil darkness, even a Christian. If you yield to this darkness through lack of character, discipline or true devotion to the Lord Jesus Christ, you will regret it forever. *This ancient evil darkness will achieve its greatest manifestation through the person of a man the Bible calls The Beast.* The fact that the word "beast" is used in scripture is quite telling. We cover this topic in detail on our series titled "*The End of Times*" in the audio files section of our website [www.theappearance.com](http://www.theappearance.com).

The evidence of the spirit of Jezebel is religion, homosexuality, incest, pornography, sexual immorality, women ruling and not serving, weakness in men and impotence prevalent in the world. *But perhaps the most obvious sign is a corrupt, defiled and powerless church.* The Church cannot stand in its present condition against Jezebel's fury and the gross darkness covering the whole earth. *The only hope for a Jezebel-infested person or church is confronting it in the energy the Spirit's fire.* Only with church discipline or separation of relationship can a breakthrough be accomplished.

*If the person or church is unwilling or incapable of confrontation, Jezebel will continue to rule and ravage the church, until the person loyal to God will be chased away into hiding, maybe even dying before their time.* This evil spirit must be confronted with full force and apostolic authority, declaring God's will and established order. If the church is only

committed to being nice and does not confront evil by the biblical mandate of church discipline, it will be defeated by the spirit of Jezebel.

*As we get closer to the end of times, the rampant sexual immorality, corruption and defilement of the land will cause the withdrawal of God's blessings and hedge of protection from America,* driving many to their knees in repentance, thus producing a desire to turn back to God. *Repentance is really a gift, a privilege granted to us by our Creator whereby we can be reconciled back to Him.* It is not just a mere "I am sorry", but an invasion into the very depths of our being by the Spirit of our Creator who alone truly knows the depths of the hearts of men.

That is when the spirit of Elijah will appear; intercessory prayer that will blast heaven into earth. Elijah ruled over Israel, Jezebel and Ahab through intercessory prayer. By prayer he established the rule of the kingdom of God in the land of Israel. *It was the life of the man of prayer, more than the prayer of the man of God that determined the level of the answered prayer.* In the end of times this type of Elijah prayer will return through His choice vessels who have no fear of Jezebel, and attack her on their knees. *They are golden vessels prepared in the wilderness for this moment.*

They know Jezebel must be confronted with the same fierce, confident aggression manifested in the life of John the Baptist during His ministry on the earth. This is the primary purpose and goal of the spirit of Elijah: to defeat Jezebel and prepare the Bride for the coming of the Lord. It has already happened once, and now it is about to happen again. *The Elijah anointing is not given to just anybody; it is only imparted to those vessels chosen for this assignment as they will have Elijah's spirit of fierceness in war, along with great authority resting upon their lives.*

They will shake the kingdom of hell, and manifest God's glory on earth before the end. At the end of times, those anointed to be like Elijah will be ordained by God to defeat Jezebel prior to the rapture of the church. When Jesus Christ was born on the earth, Jezebel was sent from hell to try to destroy him and thus thwart stop Him from accomplishing His mission. *Now as we approach the end of times, Jezebel has come once again in full force for one last attempt to persecute, oppress and destroy the people of God and hinder the Second Coming of our Lord Jesus Christ.*

The earth hangs in a balance, awaiting man's final decision and the outcome of the Elijah-Jezebel confrontation. *Will mankind in its reprobate and ungodly condition refuse the call of God to repentance through the voice of the Elijah company or will the Creator destroy the earth and its inhabitants with fire in what is known as the Great and Terrible Day of the Lord? "Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD." Malachi 4:5*
