**“SIGNS IN THE HEAVENS”**

July-September

**A**nd I looked, and lo, a Lamb stood on mount Zion, and with him a hundred and forty-four thousand, having his Father's name written in their foreheads. And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty-four thousand, who were redeemed from the earth.

These are they who were not defiled with women; for they are virgins. These are they who follow the Lamb wherever he goes. These were redeemed from among men, being the first fruits unto God and to the Lamb. And in their mouth was found no guile: for they are without fault before the throne of God. *Revelation 14:1-5*

*We have just finished a season of Rosh Hashanah and Yom Kippur which I believe were the most important in my lifetime.* We did explain it in our previous newsletter. The signs that took place in heaven will not happen again for a very long, long time. *It is our belief, along with other men of God, that what just took place in the heavens was a sign of the end time fulfillment of Revelation 12:1-3;* a sign to every believer that we are about to enter the Time of Jacob's Trouble, The Day of the Lord.

In conjunction with all the other signs that are taking place right now in the Sun, the Moon and stars, many large volcanoes erupting at the same time, major earthquakes happening everywhere, bizarre weather patterns and civil unrest in many parts of the world attests to the fact that we are indeed entering the time spoken of by Yeshua in *Luke 21:25-28. The glorious manifestation of the sons of God is about ready to take place; those who were hid in a furnace of affliction for a season to be revealed in the end of times.*

These vessels are filled with great wisdom and authority to bring about a separation in the Church. The word that comes out of their mouth is like fire, separating the soul and the spirit while bringing healing to the people. Much counsel will come through these vessels that will provide guidance and safety in the times that are coming upon us. *This group has been 'branded' by Heaven, and will move in mighty supernatural signs and wonders in order to fulfill a specific mission given to them by the Heavenly Father.*

That's why they have the Father's name written in their foreheads and will follow the Lamb wherever He leads them. *They will sing a new song that they learned in Heaven and no one else can learn.* This song from heaven will be so powerful and anointed, that whenever the 144,000 sing it, fear will strike the heart of the enemy and multitudes will be set free and delivered from diverse kinds of demonic affliction and oppression. No weapon formed against them shall prosper.

*These vessels,* who will have the training and authority of a five star general, *will move in unity under the leadership of the Lamb and will cause many in the body of Christ to be restored from their lukewarm backslidden condition.* Many of the saints will be trained, prepared and empowered through divine truths that have been veiled, but will be released as we enter the end of times and the people become ready to receive them. Most are not ready yet.

The manifested sons of God will wield the rod of government and authority from Papa. The religious Church system which by then will be controlled by the beast system will persecute those who follow and obey the Lamb. *Many of them who get converted under the ministry of the 144,000 will suffer great persecution and many will be martyred.* Eventually the Church will have to flee to a place out of the country prepared for her by the Lord out of the reach of the beast system and his ubiquitous police state.

The judgments of the Day of the Lord will be withheld until His servants are sealed (*Revelation 7:1-4*). The angels of the Lord are literally holding back many cataclysms from taking place because of that reason (*Rev. 7:1-4*). In the last few weeks, we have been watching and praying with our spiritual ears listening to the voice of the Spirit during the Feast of Rosh Hashanah. Thankfully, no catastrophic events took place; *however, two asteroids came very close to impacting earth and causing massive loss of life.*

As the people prayed, it barely missed us. We are not out of the woods yet, as there are more asteroids heading our way with 2005 YU55 coming on 11/09/11. Elenin was shattered, but it has reconstituted itself and it's still traveling on NASA's original orbit. *We maintained for a long time that Elenin was not the threat that many said it was, but was only a harbinger of what was coming afterwards. The Neutron Star coming right behind Elenin is what the governments of the world are terrified about.*

Take a look at the **NEWS** section of this newsletter and you will see how prophetic the words spoken by Yahushua to His Bride are today. *If you look at it with an open heart, you will find the evidence compelling. I know that you are afraid and troubled about the things that are taking place and do not want to hear it.* However, there should be no fear or concern in our hearts if we are truly where we ought to be in our spiritual walk. If these things make us afraid, we need to examine our spiritual foundations.

*The 5.8 Magnitude Earthquake on August 23, 2011 that rocked Virginia and Washington, D.C. and was felt all over the country, was a loud shot across the bow of this nation by the Creator.* It caused damage to the **National Cathedral**, the **Capitol Dome**, the **Washington Monument** and even the **Pentagon** was shaken but suffered no major damage. More than 20 aftershocks ranging from 4.5 to 1.8 were registered. This was quickly followed by Hurricane Irene causing massive damage in the Northeast.

*There is prophetic symbolism to all of these things.* Although the damage this time was minimal, it was a severe warning of what is coming in the near future. *It's an indictment on the corruption in the Church, the Government, the people and the Military of America.* The same can be said of the route Hurricane Irene took to inflict damage on places that are not usually associated with hurricanes, but recently have become the hub of Gay Marriage and other ungodly perversions and immorality.

*Of course, there are godly Christian people living in these places who have suffered along with the wicked the judgments of God.* This is always the case as it has been presented in the Bible. Whenever God judges a Nation or a city, the righteous always pay the price along with the wicked. That is the reason why when a nation, a city or a church is defiled, no amount of prayers will forever delay the judgments of the Almighty. The only solution is to leave or be a partaker of His judgments as was the case of Lot in Sodom.

Since the beginning of the year 2004, the Lord had been dealing with me about the Day of the Lord, and I felt the need to research that topic in the Bible. After the research, we did a whole Newsletter just on that subject which is posted on our website. In March of 2004, *I experienced such a profound experience that when I finally awakened from it, I found myself covered in sweat and tears.* It impacted me so, that I was not able to talk about it for years. Even now, it is difficult for me to talk about these things.

What I saw in the heavens and the events that took place right after, led me to believe that Papa had just shown me the Great and Terrible Day of the Lord. We will not take time to share the vision on this newsletter. If you would like to read it, it's posted on our [website](#). *The reason that this vision is being mentioned on this newsletter is because the sign that I was shown in the heavens, that would signal the beginning of terrible times of trouble, is getting ready to take place in the heavens:*

<http://elenin.org/honda-levy.php>

*There has been much debate in recent months about the United Nations forcing Israel into giving parts of Israel and ½ of Jerusalem to the Palestinians. President Obama, who was hell bent on making Israel go back to its pre-1967 borders since his meeting with Netanyahu earlier this year, has been backpedaling ever since the above mentioned disasters.* However, I am afraid that just like the Pharaoh of Egypt changed his mind, so will the Pharaoh of America. Civil unrest continues to intensify all over the country as people show their frustration. Communists are subsidizing and stirring the masses through Labor Unions. Dimitru Duduman's prophecy is about to come true with a vengeance.

*We sent out two intercessory prayer alerts in the last few months in response to a burden of travail that came upon us asking the people to pray and intercede.* The first one was to deal with the issue of the splitting of Jerusalem. I felt strongly that if America stood with other nations on this decision, America would be split in two with the loss of millions of innocent lives. The second one was sent out in August to deal with a severe burden that came upon me where I saw massive loss of life brought about by evil men.

*In both cases, I suffered severe persecution at the hands of 'brethren' who did not agree with what I had done. Honestly, I was stunned by the e-mails that I received and the comments that I read.* I am a firm believer in the power of intercessory prayer and the fact that as sons of God we have been given the privilege and the right to bombard heaven with intercessory prayer on behalf of those who are heirs of salvation, as well as others who are not saved and the devil is seeking to destroy and send straight to hell.

I am appalled at the lack of love, mercy, compassion and burden for the lost that I see in many Christians today. *I guess they have all forgotten the sinful and wicked condition they were in when they were redeemed by Yahushua.* Most Christians today have no understanding of intercessory prayer or spiritual warfare, and most live such a busy lifestyle that prayer has become nonexistent. They have forgotten *the 2 greatest commandments Yahushua gave us; love God with all your soul and love your neighbor as yourself.*

As a watchman and servant of the Most High I am trying as hard as I can to warn the people and reach out to the lost in hopes that at least some will wake up and smell the coffee. *I wish I had done a much better job than I have; however, my conscience is clear and the blood of the innocent will not be on my hands.* Papa does not even delight in the death of the wicked. According to His Word, He desires everyone to come to repentance and salvation while there is time, but the sand is almost gone from the hourglass.

*There is an ancient rabbinic prophecy given by Rabbi Judah Ben Samuel in 1217, that the Ottoman Turks would rule Jerusalem for eight Jubilees. A Jubilee is a period of time consisting of 50 years according to Leviticus 25:8-13. In 1517 the Ottoman Turks seized control of Jerusalem and ruled over it for the next 400 years (eight jubilees). In 1917 the Turkish troops were driven out by the Allied forces under command of General George Allenby. Rabbi Judah Ben Samuel's prophecy was fulfilled exactly as prophesied.*

*He also prophesied that during the time of the 9th Jubilee, Jerusalem would become "no-man's land." This happened from 1917 to 1967, when the land of Israel was placed under British control in 1917 by the League of Nations.* During this time, Jerusalem literally belonged to no one. During Israel's War of Independence in 1948-49, Jerusalem was still divided by a strip of land running through the heart of the city, with Jordan controlling the eastern part and Israel controlling the western part of the city.

That strip of land was called "no-man's land" by both Israelis and Jordanians. Anyone caught even stepping into that strip of land could be shot. It was not until the Six Day War of 1967 that the city of Jerusalem came into the possession of Israel. *Once again the prophecy made by Rabbi Ben Samuel 750 years earlier was fulfilled exactly as he had prophesied.* However, that is not the end of the matter as he prophesied something even more stunning.

*Rabbi Judah Ben Samuel also prophesied that during the 10th Jubilee Jerusalem would come under the control of the Jews, and during that Jubilee the Messianic "End Times" would begin. The 10th Jubilee began in 1967 and will be concluded in 2017.* If this prophecy is fulfilled with same accuracy as his first two, a lot of things are about to take place very fast in the near future.
