“THE GOOD, THE BAD AND THE UGLY”

A wake you that sleep, and arise from the dead, and Christ shall give you light. See then that you walk carefully, not as fools, but as wise, redeeming the time, because the days are evil. Therefore be not unwise, but understanding what the will of the Lord is. Eph 5:14-17

My heart is full of excitement and anticipation for the great things that are about to happen in 2008 and beyond, but at the same time I am heavy burdened for the things that I must share with you. It is a difficult and unpleasant thing to do, but I will try to share them with you.

The things I am about to say, I do so with great humility and trepidation, not to scare but to warn you. *The Lord has shown me things that bring me hope and excitement, but I have also been shown things that cause me great concern.* Many things are beginning to take place on this country and overseas that will only escalate in the near future. It will test the faith of many, shake their foundations and cause them to surrender their lives to God or turn their backs on Him, embracing the apostasy sweeping the world.

God can still postpone what is coming and heal this land if His people would pray, repent and turn away from sin. *The Lord has already given us a reprieve on the war in Iran,* as it seems that plans for an attack have been pulled back after inspectors found no evidence of a nuclear program there. Many have been praying for years, repenting on behalf of this nation for the atrocious sins committed in the past and present on this land. God has promised to send a double portion outpouring of His Spirit to this nation if His people would heed His warnings, repent and sincerely turn to Him.

All the innocent blood that has been shed on this land, especially in the last several decades through abortion, satanic rituals and murders has opened multiple gates of hell allowing a flood of all kinds of demons to come in and invade this nation. Without a doubt, *the United States is being taken over by occult forces* and very few seem to be aware of it in a society that is oblivious to the truth.

This pains my heart, for I love this country. From the Stonehenge replica in the Pacific Northwest, to the Luxor Hotel Casino Pyramid in Vegas, to the Georgia Guide Stones, these occult structures are being built all throughout the land at an alarming rate. Occult names, structures and symbols in its various forms are being propagated continually through the use of the entertainment industries and mass media to brainwash the American people. That may explain why so many strange and unusual things are happening.

While this is going on, at the same time *we are seeing a relentless attack on the person and divinity of Jesus Christ.* “Their” goal is to undermine the foundation of the Christian faith whose cornerstone is Jesus. If they succeed, the people will then be ready to be seduced into believing a lie that the enemy has been preparing for a very long, long time. Some books and movies portray Jesus as having sexual relations with Mary, while others portray Him as gay.

One well known TV ministry is now saying *that Jesus never claimed to be the Messiah,* only the Lamb of God. This acquits Jews from rejecting the Messiah. Although I love the Jewish people as much as anyone else, to say that they do not need to accept Yeshua as their Messiah to be saved, is a very serious heresy and goes against what the Bible says.

Another leaven that is quickly spreading throughout many churches is the belief *that Jesus was not God manifested in the flesh;* only the son of God. They claim that is the reason why He had to be baptized; to be cleansed from sin. This is such a dangerous heresy that it subverts the very foundation of the Christian Faith. These doctrines have been around for a long time, but it seems that now they are all making a strong come back at the same time.

Several months ago, the Lord spoke to me and said: *“there is a new religion coming”.* The things that He showed me are coming, have led me to believe that this is the strong delusion spoken of by Paul in 2 Thessalonians 2:11 that would cause many to believe a lie. We are not able to disclose many things that God has revealed to us because frankly, most of the people could not handle it due to the religious leaven that hinders them from receiving truth.

A few years ago, I was shown in a vision of the night some things that would transpire in the future, so terrifying that when I woke up, I was shaking and drenched in sweat. I kept this to myself for three years, but the Lord has now released me to share it with His people. *The visions and dreams have intensified* to the point where we just recently added a new section to our website dealing with that subject. You can read them by visiting our website posted on this report.

The people of the United States are being warned of severe judgment to come if they do not repent. (1) Fifty percent of the contiguous United States is in a condition of severe drought. Recent reports have indicated that thirty six states now face water shortages. In Georgia the lakes are drying up and the city of Atlanta now has less than a ninety day water supply, and no plan for solving the problem.
