“END OF TIMES - PART 5”

April/May

They that trust in the LORD shall be as mount Zion, which cannot be removed, but abides forever. As the mountains are round about Jerusalem, so the LORD is round about his people from this time forth even forever. For the rod of the wicked shall not rest upon the lot of the righteous; lest the righteous put forth their hands unto iniquity. Do good, O LORD, unto those that are good, and to them that are upright in their hearts. As for such as turn aside unto their crooked ways, the LORD shall lead them forth with the workers of iniquity: but peace shall be upon Israel. *Psalms 125:1-5*

A few days ago as we were celebrating Memorial Day, a thought came to me. What would those American military veterans say if they were alive today and able to see what their country has become? Shame and disappointment would grip their hearts. *As I am sitting down today writing this newsletter, I see a nation that is more divided than ever since the Civil War.* It seems as if this country is getting more vile and evil with each passing day.

There is still a righteous remnant left on this nation. However, their numbers are getting smaller and smaller. A spirit of lawlessness has entered into the very fabric of our society: schools, government, justice department, court system, entertainment industry and even the Church. *The Church, which was once the conscience and heartbeat of this nation has become a compromising harlot, whose preachers eagerly suck the breasts of Babylon.*

Gone are the days when the pulpits thundered with the anointed convicting messages of men like Charles Finney, Jonathan Edwards, John Wesley and Billy Sunday to name a few. Gone are the days when real revivals like Azusa Street shook whole cities. *This is what made America great; this is what transformed this nation into perhaps the most blessed nation on the face of the earth in the annals of human history.* Communists did not do that; neither did gays nor Muslims. It was believers in the Most High God.

This nation is headed down a very dangerous path. Last October in a vision of the night, I was told by a messenger of the LORD that a revolution is coming to America. *There was urgency in his voice; it was a solemn warning that if things do not change and soon, this nation will once again find itself embroiled in a bloody revolution with brother fighting against brother.* If you think the first one was bad, this one will be much worse. The cost in human lives and destruction of the nation as a whole will be incalculable.

Recently there was an event that took place which may have gone unnoticed by most, but to some of us who have eyes to see and ears to hear *it was a powerful prophetic message. 2 bald eagles in air battle crash landed at Duluth International Airport.* Usually, whenever mature eagles clash in an air battle, they will let go of each other before hitting the ground, but in this case, they had the talons so deeply imbedded in each other that they were unable to let go.

Multiple scandals in the past few months with the IRS, AP, and Benghazi murders of 4 Americans reveals an administration deep in moral bankruptcy and corruption that continues to disregard the Bill of Rights in order to promote its own agenda. What we are beginning to see now being done by this government borders on tyranny. Never have we seen so many laws being broken, by so many in high places with so little oversight and accountability.

As bad as these things are, they are just the tip of the gigantic iceberg that may sink the Titanic U.S. Dollar, and possibly catapult us into the most dangerous time ever in the history of this nation and the world. I wish I could tell you that this will not happen for a long time; but alas, the day of reckoning is at the door. As I am writing this, nations all over the world like China, Australia and Brazil are ditching the dollar as the reserve currency

The BRIC nations are feverishly working on a new currency that will eventually replace the dollar as the world's reserve currency. *This is bad news for America. Whenever that happens, the U.S. Dollar will become totally worthless.* This was shown to me by the LORD on January 29, 2009 in Miami, Florida after I had just returned from a mission trip to Cuba. This is the reason why the DHS has bought up close to 2 billion rounds of hollow point bullets. They know that this is coming and what it will mean.

Whenever the U.S. government begins to confiscate all the retirement and pension funds, along with all large privately owned bank accounts in order to avert financial collapse as it has already happened in Cyprus (and may soon happen in other nations like Spain and Italy), all bets are off. And yet, with all the mess that is going on, this administration seems to be more interested in pursuing a pro Homosexual/Socialist agenda in America and in the US military than in doing the job they were elected to do.

Regardless of whether people in high positions of power in this administration (no matter how high it goes) are doing these things out of incompetence or on purpose, the fact is that they are unfit to

occupy those offices and should be removed. There seems to be an unwillingness or inability in our government to do anything about it. **Sometimes I wonder if this is due to apathy, confusion, fear or all of the above; or is it possible that there could be a more sinister agenda behind it all?**

Most churches, ministries and believers have tried to avoid this subject for a long time and opted for a more politically correct positive message that will soothe their consciences. But alas, the time has come where they will not be able to avoid it any longer. **Laws are being passed right now that are going to force every single one of us to deal with these issues. The only question that remains is what are you going to do about it personally?**

We are heading down a road where there seems no way out, but the Almighty has a way out of this mess if His people would only pray and intercede. I happen to believe in the power of intercessory prayer and it has never been more important than it is today. There is a sinister agenda behind what is going on in this nation. **These things are being perpetrated with the express purpose of destroying the very moral fabric and foundation of this nation so that it can be more easily assimilated into the Luciferian New World Order.**

Make no mistake about it. The powers that be intend to use the wealthy western nations to usher in their New Order of The Ages. **They have divided the world into ten regions, patterned after the lost city of Atlantis** (Read [Atlantis The Antediluvian World](#) by Ignatius Donnelly). Yes, Atlantis did exist and was destroyed by the Most High. That is why the Creator had to restore order to this planet as we read in the following passage in Genesis:

Genesis 1:1-2: In the beginning God created the heaven and the earth. And the earth was without form <tohuw>, and void <bohuw>; and darkness <choshek> was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

The word **tohuw (8414)** comes from an unused Hebrew root that means to **lay waste**; a desolation (of surface) i.e. **desert**; figuratively, **a worthless thing**; adverbially, **in vain: confusion, empty place, without form**, nothing, **vain, vanity, waste, and wilderness**.

The word **bohuw (922)** comes from an unused Hebrew root that means to **be empty**; a vacuity, (superficially) **an undistinguishable ruin: emptiness and void**. The word **choshek (2822)** means **dark**; hence (literally) **darkness**; figuratively, **misery, destruction, death, ignorance, sorrow, wickedness: darkness, night & obscurity**.

Surely, the Almighty, Wise Creator of the Universe would not create a planet in such condition. **What then could have possibly happened to planet Earth that caused it to become so utterly desolated, empty, ruined, wasted, full of darkness, confusion, ignorance, death, sorrow, wickedness and utterly destroyed?** The Bible does not give much information on this topic, and we don't have space on this newsletter to get into such a deep, vast subject.

Let me just say that planet Earth is much older than people think it is. In our book "Open Heavens" we get into this subject in some depth as far as how it relates to intercessory warfare. **There is an age old battle that is being waged between the forces of good and evil for a very long time, and it behooves you to know what you are dealing with.** The Bible gives us some hints as to what may have happened in the following scriptures:

Isaiah 14:12-17: "How are you fallen from heaven, O Lucifer, son of the morning! How are you cut down to the ground, who did weaken the nations! For you have said in your heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the farthest sides of the north: I will ascend above the heights of the clouds; I will be like the most High.

Yet you shall be brought down to Sheol, to the sides of the pit. They that see you shall gaze upon you, and consider you, saying, Is this the man that made the earth to tremble, that did shake kingdoms; That made the world like a wilderness, and destroyed its cities; that opened not the house of his prisoners?

Jeremiah 4:23-28: "I beheld the earth, and, lo, it was without form, and void; and the heavens, and they had no light. I beheld the mountains, and, lo, they trembled, and all the hills moved to and fro. I beheld, and, lo, there was no man, and all the birds of the heavens were fled. I beheld, and, lo, the fruitful place was a wilderness, and all its cities were broken down at the presence of the LORD, and by his fierce anger.

For thus has the LORD said, the whole land shall be desolate; yet will I not make a full end. For this shall the earth mourn, and the heavens above be black: because I have spoken it, I have purposed it, and will not relent, neither will I turn back from it.

That sure does sound a lot like what it says in Genesis 1:2. **The next confrontation that will take place will be the final one, as recorded in the Book of Revelation, and it will be the end of the world as we know it.** This is going to be so horrific that Yahushua Messiah said while He was on this earth that if those days were not shortened no flesh would be left alive (**Mathew 24:21-22**). In this battle, all the hordes of hell are going to be unleashed on this planet.

As of the end of 2012, we have entered into the end of times. This is the reason we produced our brand new DVD "The End Of Times" with The Prophecy Club earlier this year. It is available on our website as well as on The Prophecy Club Website. **We have entered a time that this nation and the world have never entered before. We are about to see the great darkness shown to me manifested.** It will require great faith to escape all these things that will come upon the world and stand before the Son of man.

This is not the time to look keep looking backwards. It is time to cross the Jordan to the other side. For the dark days that lie just ahead, **each child of the Most High must be guided to his safe place. These safe places have been prepared and provided for you. There will be provision and there will be safety in those places.** I have been shown again recently that there will be power outages. In some areas the power will not return for a long time. The Internet will be lost as well, in this country and many others.

Full scale manifestation of the hordes of demons from hell has begun. That is the reason why many of God's children are feeling such oppression from the dark side since the beginning of the year. The powers of darkness know that the manifestation of the man of lawlessness is close. **We have entered a time when you must make sure that you do not open any doors to the enemy that he may gain a legal right over you. As a child of God you must now be energized with the power of the Holy Spirit within you.**

You must begin to declare the Word of God and use it as divine projectiles against the demons and principalities that are now waging open warfare against the sons of God. **We are very close to seeing the manifestation of the man of lawlessness. This is one of the reasons why we have been seeing such a proliferation of UFO sightings all over the world in recent years.** They will manifest with the beast producing many convincing signs and lying wonders

We have entered into the time of the greatest harvest of souls the world has ever seen. This is spoken of in many parts of the Bible. The clouds are beginning to gather as the golden rains are beginning to fall. **There is a great hunger arising in the people to see the power of God and His manifest presence.** It's happening in foreign nations as well as in America. The question is, will you be a part of what the LORD is about to do. I hope so. Shalom my friends.
