Ephesians 2:20-22

Ephesians 4:11-16

No. 7 Issue 2012

"ISAAC HARBINGER OF CHANGE"

August Report

Blow the trumpet in Zion, sanctify a fast, call a solemn assembly: Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that nurse: let the bridegroom go forth from his chamber, and the bride out of her chamber. Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say, Spare your people, O Lord, and give not your heritage to reproach, that the nations should rule over them: why should they say among the people, Where is their God? Joel 2:15-17

As I am writing this newsletter, I see people are getting ready to celebrate Labor Day. However things are not as they used to be in this nation. ***There is a feeling of discouragement and depression prevailing in the people.*** The majority of the people see a future where the economy will continue to deteriorate and unemployment will continue to increase. This is not what they expected when they voted for Barack Obama. He promised change and hope for America. Those words sound hollow to most now.

Not only is the economy deteriorating, but ***the very freedom we once cherished is this great land is giving away to an oppressive, big brother state where your every move is questioned and looked upon with suspicion.*** The moral fabric of America is disintegrating at an alarming rate. Laws are being passed to purposely destroy the very things that once made this nation strong, and Hollywood is spewing out such filth that years ago it would have been x-rated and forbidden from being shown in theaters.

Now that homosexuality and same sex marriage have been legalized, churches have become so backslidden and worldly that mega church ***pastors are now coming out of the closet and declaring that they are gay.*** Add to that all the pornography, child abuse, adultery, divorce and fornication going on with pastors and the church in general and ***what you have is the whore of Babylon.***

The gospel of sloppy grace and prosperity being preached in the churches is a disgrace and an affront to the person of Jesus Christ and the early apostolic fathers. ***The time has come for the people of God to go on a fast, with deep weeping and repentance on behalf of His dead backslidden people not only on this land, but all over the world.*** The next few months and years will be the most important and crucial time in the history of this nation, and possibly the most difficult and trying times the world has ever seen.

Starting this month we are calling the Bride of Yahushua Messiah to a time of fasting, prayer and a season of deep repentance and cleansing. Each one will need to inquire of the Holy Spirit the type of fast they need to do and length of it; but every single one that calls himself a follower of Yahushua is being called to participate in this Holy Convocation from Heaven. We need to carry this fasting/prayer effort all the way through the fall feasts.

The Spirit of Yahushua Messiah has impressed upon me that the time has come to shift the emphasis from current events taking place around us to ***the Bridal preparation for the imminent events about to take place on this earth that will catapult us into great tribulation and the Day of the Lord.*** I would not be a true servant of Yahushua if I did not obey and sound the Shofar as loud as I can. The lives of multitudes of people are literally at stake, hanging on the balance in the valley of decision.

The great and last harvest of souls is upon us. It is time to put in the sickle and reap for the harvest is ripe; It is time to fast and pray for your loved ones, godly watchmen and leaders in the body of Christ; and most importantly ***it is time to get your personal house in order and get ready for the greatest battle between the forces of light and the forces of darkness this world has ever seen.*** The enemy will engage every believer in Yahushua whether you want to or not. It is time to choose who you will serve and then act on it.

You will need to have very sharp discernment to be able to differentiate what is good from that which is evil. ***There will be many manifestations which will have an appearance of good, but will be evil in nature and will deceive multitudes.*** This has already begun to take place as many people who claim to be Christians are being deceived. This delusion will only grow stronger as we enter the next phase for the manifestation of the man of lawlessness.

The NWO messiah will come with all kinds of advanced technologies and promises of bringing the world into a New Age Utopia after the world almost comes to the brink of total annihilation through thermonuclear war, plagues, famine and terrible cataclysmic events. This is one of the main reasons why this season of prayer and fasting is so important at this time. The dark seduction and deception that is coming will be so strong that most will not be able to resist it and will forfeit their eternal soul.

Many believers in Yahushua have allowed darkness to come into them through various ways and forms. Many have allowed sin

to take over their lives and caused them to be brought into captivity; others have **allowed resentment, bitterness and unforgiveness** to take root in their hearts causing their prayers not to be heard by the Father; while others **have allowed the world to come in** and steal from them the love, desire and passion they used to have for the Lord and His Word. As a result darkness has entered into them.

The Lord is calling many of you who fit the description mentioned above to **come into a season of fasting and prayer in order to bring about spiritual cleansing and alignment into your lives.** This must be done before the upcoming Holy Feasts of the Lord this fall. Many things are about to take place which necessitates His people to **be positioned and in divine alignment in order to be protected during the coming severe judgments upon this world.**

On the day before the RNC, I had a dream about Hurricane Isaac (<http://www.theappearance.com/new-page-60.htm>) in which I was shown what it represented and the drastic changes it would bring to the nation along with it. Part of it has already been confirmed during the RNC but the most important things are still in the future. **It was a sobering warning to all believers who are in sin, backslidden and living in the world.** Please take time to read it for yourself.

One of the messengers said that to me: **"Isaac is a harbinger, announcing to everyone the manifestation of the sons of God and the coming persecution of believers."** I will talk more about this in a moment. He then told me: **"during the coming Earth Changes and Persecution many 'Dead Christians' are going to die."** When I inquired of him about the godly saints, those who were His elect and walked with Him in purity and holiness He repeated it again stronger: "Dead Christians are going to die"; then said it again.

There is an angelic separation taking place right now of the godly from the ungodly; holy from the profane; sheep from the goats and tares from the wheat as the judgments are getting ready to fall. Divine instructions are about to be released and each one will be told to do something specific and different. Divine strategies and finances are going to be released in order bring in the last great harvest of souls before the end comes.

The Lord is about to invade this earth with His Holy Glory. **Many of those who for many years have been in the spotlight will be seen for who they really are and will be exposed for all to see.** This is going to bring about much consternation in the church and the world in general. **Many will leave church en-masse and go after esoteric, occult and new age doctrines.** This will be the beginning of the great falling away that **will lead them into the arms of the New Age Messiah and his New World Religion.**

However, many of those disappointed and discouraged with the condition of the churches will for the first time in their lives begin to experience the true manifested power and presence of the Holy Spirit through a new group of fierce Warriors of Yahushua who will begin to make their presence known in the world as they will be carriers of the glory of God. **These manifested sons will be recognized by the authority, love and anointing with which they speak and carry themselves.** I have been speaking of this for several years now.

These will be the spiritual Isaac, who will be feared by the evil ones and persecuted by Ishmael. However, the enemy will not be able to stop them for long, for their ministry and weapons of warfare are not natural but supernatural. **The divine supernatural light that will emanate from these vessels will penetrate the veil of darkness and render the strategies and secret plans of the enemy useless.** Darkness has never been able to overpower the light and once again this will prove to be the case:

John 1:5 "The light shines in the darkness, and the darkness did not overcome it."

Father has not revealed much regarding the details of this great coming event for obvious reasons. Just like it was prior to the great invasion Normandy on D-Day, **General Eisenhower revealed only what was necessary and only to a select few. The reason is obvious: Would a Five Star General divulge secret plans where the enemy can overhear them?** We serve an all wise, all powerful Righteous King who has never lost a war.

Many who have been trained in secret for many years are about to graduate to higher training in High Level Spiritual University. **This High Intensity Spiritual Training which most believers have never had before, will prepare, train and equip them for the intense spiritual warfare getting ready to take place on the earth in the very near future.** Most believers are presently walking in a spiritual level comparable to Elementary School Level.

I was shown this in a dream recently that the Lord is not pleased with the present condition of the Church in the whole world. Although this condition is prevalent in America, it is not the only place where this is taking place. **A false gospel is being presented all over the world to multitudes of His lambs. Lambs that Yahushua died for and paid for with His own blood.** This is about to change as there is a cleansing about to take place in His Church, as well as in America and the world in general. Many shocking things are about to happen.

As a matter of fact, it has already begun. Not long ago as I was sitting in front of computer writing an article, **the Holy Spirit came and spoke these words to me: "Everything that offends is going to be removed"**. As I sat there pondering what I had just heard, He began to show me scriptures confirming what He had just told me:

Matthew 13:40-43: "As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity;

And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who has ears to hear, let him hear.

Those who have been abusing and causing great harm to His little children are about to come face to face with the Creator and meet the wrath of the Lamb without mixture:

Matthew 18:6: "But whosoever shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea."

It behooves us at this time to pay close attention to the instructions each one of us receives individually from the Father. **There are many servants of God whose assignment is about to change.** Some will be told to leave major cities and coastlines and go to a specific place to do a work there; others will be told to stay where they are and will be protected there as they fulfill their commission; others will be told to leave the mainland altogether to a place prepared for them where they will begin their new assignment. **Obedience is going to be the key.**

In closing I would like to thank those of you who have been faithful to this ministry through the years with your financial support and prayers. You are truly our friends and partners in ministry. We love you and you are always in our prayers. Regardless of what happens in the future, the relationships that have been forged through seasons of hardships, testings, tribulations and joy will bear much fruit not only in this life, but in the life to come as well. **It is going to be a great party up there.** Have a blessed Memorial Day with your family. Shalom.
