## EFFECTUAL PRAYER #5

**John 5:14-15** *“And this is the confidence that we have in him, that, if we ask anything according to his will, he hears us: And if we know that he hears us, whatsoever we ask, we know that we have the requests that we desired of him.”*

It seems that an attack on Syria by the US and the prospect of a WW3 Nuclear Holocaust has been avoided at least for the moment. I know that **there are many intercessors that have been in deep prayer for the past couple of weeks regarding this subject.** Our struggle is not over yet, but we can see the Hand of God moving on our behalf. This is what prayer does.

Although we have entered the end of times, it behooves us to be aware of the times & seasons that we are in right now as far as the perfect will of the Father is concerned. Remember that nothing is more important to the heart of God than souls coming into His Kingdom. **The end time harvest has not been completed yet, and there is nothing more the devil would like than to stop millions of souls from entering His Kingdom.**

I want the LORD to return as much as any of you out there. I am so sick of the things that are taking place on this earth right now. **Not a day goes by that I don't tell the LORD how bad He needs to come to straighten out this mess.** However, I am also keenly aware that there are millions of people who are ordained to eternal life that have not yet heard the Gospel of the Kingdom. Most of them live in the 10-40 window area of the world.

The 10-40 window area is the only region in the whole world that has not been fully evangelized yet. **Heaven is so desperate to bring these people into the Kingdom of God that the Master Himself has been appearing to hundreds of Muslims in that area in recent years.**

Do you now see why the enemy is so intent on bringing about this war prematurely? The doors have been closed so far, but Father is about to open large effectual doors.

This is the reason why His saints must know how to pray according to His will. Whenever we pray according to His will, He hears us and our prayers are answered. **If you pray out of alignment with the will of heaven, you will frustrate the grace and the mercy of God.** So many of his people are full of anger and bitterness that all they want is for the whole world to be destroyed.

I call this the Jonah Syndrome. Jonah wanted to see Nineveh destroyed for its sins so bad, that he overlooked the love and mercy of the Creator for those people. He had to be rebuked by God for his foolishness (**Jonah 4**). **Words are perhaps the most powerful and damaging force known to man. Because of words people have been known to kill each other. Words have the ability to start wars and battles, as well as ending them.**

Words have separated many close friends, and even caused marriages to break up. It was words that caused Eve to disobey God and partake of the forbidden fruit. It was words that caused Adam to also eat of the fruit, and bring a curse into this world. Words are a powerful tool that can be used for evil or good. **When words are applied accurately through prayer, they become a weapon in the hands of him who sent them forth.**

As we approach the end of all things, let us endure as good soldiers and not resort to foolish ungodly acts that may lead us to say things or act in a way that is not the will of our Heavenly Father. **Instead of praying amiss, asking the LORD to kill, destroy and wipe out all of mankind, let's begin to act and pray as the Master taught His disciples to do** (**Mathew 9:35-38**). Shalom.
