GROWING IN FAITH #6

Isaiah 55:9-11 *“For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain comes down, and the snow from heaven, and returns not there, but waters the earth, and makes it bring forth and bud, that it may give seed to the sower and bread to the eater: So shall my word be that goes forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing for which I sent it.”*

During the Holiday Festivals while in prayer, it dawned on me the importance of moving in the “*Kairos*” time of God. The people who live on planet Earth are locked in a three dimensional world. The Creator lives in eternity which is made up of multiple dimensions. ***In the realm of heaven there is no time. Time was created for our sake and exists only in our three dimensional world.***

As we try to understand and engage the supernatural realm, we need to keep these very important concepts in mind. As we exercise our faith and believe God for some specific thing, we need to understand that a word from the Lord is like a seed. ***You plant a seed in the ground and it takes time for it to push through the stubborn sod and manifest itself above ground.***

Likewise a woman becomes pregnant, yet it does not become visible at first. As time slowly passes, a small belly begins to appear and continues to grow until the right time when the baby is ready to be birthed. Likewise,

while we are waiting for the appropriate *Kairos* time to be right for our miracle or breakthrough to take place, ***we should prepare ourselves by taking advantage of the time that we have been given by the Father.***

This is a dangerous time, as this is the period of *spiritual gestation*. ***Just like in a normal pregnancy it takes nine months for the baby to be born, in the spirit the process is similar.*** Once faith has activated the seed of the word or decree that you are believing for, it may take a season of gestation for the miracle to be born. It could be days, weeks, months or years, but ***you must maintain your faith and positive confession.***

The danger here is to open your mouth and begin to utter forth at the first sign of anointing, or when you are feeling positive; this could be premature, and you could miss the opportunity that God is arranging for you. It was not until Joshua told the people to shout that the walls of Jericho came tumbling down. The right ***Kairos time is very important if you want to receive your miracle.***

So if you have been going around your walls of difficulty and lack, and you feel it is time to do something to make it happen, you must wait for the right time. You must prepare your heart and make sure that you have charged up your spiritual power, then wait for the Word of the Lord to come. When that happens, then ***open your mouth wide and speak forth in authority; release His word into the earth to accomplish His Divine will.***
