## GROWING IN FAITH #8

**Matthew 17:17-20:** *“And Jesus rebuked the demon; and he departed out of him: and the child was cured from that very hour. Then came the disciples to Jesus apart, and said: Why could not we cast him out? And Jesus said unto them, Because of your unbelief: for verily I say unto you, If you have faith as a grain of mustard seed, you shall say unto this mountain, Remove from here to yonder place; and it shall remove; and nothing shall be impossible unto you.”*

As we get closer to the end of all things, the people of God are going to have to learn how to walk in a greater dimension of faith. This is simply just not going to happen by itself, but it is something that has to be desired with a passion and learned in order to be able to achieve a greater level of faith. ***Whenever you see someone who has a great anointing on his life, you need to look behind the scenes and see what goes on there.***

I guarantee you, that life is one that has been laid on the altar of sacrifice before the LORD. It is a life that has been purged of all self sufficiency and pride. ***If you look behind the scenes you will probably see a life that is totally surrendered to the will of the Almighty; someone who spends a great deal of time before the Father seeking His face in intimate prayer.*** It is something that every true believer in Yahushua should do, yet that is not what we see happening in the Church today.

As people who are born of the Spirit, we are supposed to have a daily supernatural walk with the Creator of this earth. However, when was the last time fire came down from heaven when you prayed? When was the last time you got knocked off your feet by the presence of God? When was the last time you prayed so deeply from your heart that the ground shook? When

was the last time that you felt God move so mightily in your spirit that you felt as if you were lifted from this earth?

I am not talking about a social prayer with others, but rather a private time with the Father where He reveals things to you and you share with Him deep matters of the heart. ***Sometimes we become so used to normal everyday prayer times that we limit the Lord from showering fire from heaven.*** He has a mighty outpouring just for you and you need to stop long enough and be earnest enough for the Lord to give it to you. You need to seek it, desire it and you need to expect it.

I am not talking about a one time experience. ***I'm talking about the fire of God coming down so strong that people cannot stand on their feet because the atmosphere is so saturated with the presence of God.*** I'm talking about people falling under the power when you walk past them because you are so full of God that the very air buzzes around you as you walk, and people are so influenced by the spirit in you that their lives are changed just by your being in the same room.

It is not impossible. Elisha was so filled with the Spirit of God that his dead bones brought a man back to life. ***Each of us has that awesome power within us. The LORD is calling His Chosen Ones to awaken and tap into your spirit power and use the resources that He has given you. The time has come to take that fire within you and fan it until it becomes a raging fire, so that you can pour it upon others changing their hearts, their lives and their destinies forever.***

It is my prayer that the Almighty grants each one of you a passion to know Him in a way that you have never known him before, and to be ignited with the fire of His Love. Shalom.
