“END OF TIMES – PART 6”

June-August

The eyes of the LORD are upon the righteous, and his ears are open unto their cry. The face of the LORD is against them that do evil, to cut off the remembrance of them from the earth. The righteous cry, and the LORD hears, and delivers them out of all their troubles. The LORD is near unto them that are of a broken heart; and saves such as be of a contrite spirit. Many are the afflictions of the righteous: but the LORD delivers him out of them all. Psalms 34:15-19

As I am sitting down today on Labor Day Monday writing this newsletter, all I can say is: **Praise God! Praise God! Praise God! The LORD Almighty has heard the cries of His people.** Last Tuesday evening during the blog talk radio show “The Finer Point” with Dorothy Crothers, we conducted together with hundreds of other intercessors scattered throughout the world, spiritual warfare prayers against the plans of the cabal for America to attack Syria.

Normally, we spend the whole program teaching God’s people on the principles of spiritual warfare. However, this night was ordained to be different. For a few days I had been feeling in my spirit that the LORD wanted something done. **The enemy had been real busy attacking my physical body with pain, and had successfully managed to distract me long enough so that I would not to pursue the mind of the Spirit.** However, something was about to happen that day and I knew it in my spirit.

In the middle of the program, the Spirit of the LORD suddenly came on me as I began to pray for the dangerous situation that has developed in Syria. **We prayed that all the secret, diabolical plans and hidden agendas of the cabal be uncovered, exposed and brought to the light. We prayed for their evil schemes to become unraveled, and for only the Perfect Will of the Father to take place. The next day, half way across the world, British Lawmakers voted against military action against Syria.**

For the next few days, the Bride continued to pray and intercede before the throne of the Father in Heaven. Then on Friday, Secretary of State John Kerry gave a passionate speech pushing for an American attack on Syria, making it sound like it was inevitable and forthcoming. **The drumbeats of war were now sounding so loud all over the place, that most people believed that a U.S. attack on Syria would take place on Saturday 8/31 for sure.**

Then on Friday night, we felt so heavily burdened that we sent out an Emergency Intercessory Prayer Alert asking for the precious

intercessors to **press in and pray that President Obama would be stopped from attacking Syria and that diplomacy and cool minds would prevail** in the Middle East that we might be granted a reprieve from a world war that is sure to swallow the whole world in a conflagration that will kill millions of innocent people.

Next day on Saturday, President Obama speaking from the White House made the statement that an attack on Syria would be put on hold, arguing that the United States had a moral responsibility to respond forcefully; but would not do so until Congress had a chance to vote on the use of military force. As I watched the speech on live TV, **the political analysts and talking heads were in total shock. They kept asking each other what could have possibly made the President change his mind so abruptly.**

Washington Lawmakers are scheduled to return from recess on Sept. 9 to begin what is sure to be a contentious debate about the risks of the United States getting involved in this civil war in Syria. We have won some breathing room, but we must press on because we are still in grave danger; **even the remote threat of a possible nuclear confrontation with Russia to overthrow President Assad should send every Bible believing Christian to their knees.**

According to the reports, fourteen hundred children and adults died in the chemical weapons attacks; a horrible and sad event perpetrated by evil wicked men for sure. But as to who conducted the chemical attacks? It has not been proven to anyone’s satisfaction to this date. **Suspicious about that this was just another false flag event to make the rich richer, regardless of the death, destruction and suffering that it may inflict upon the innocent.**

Putin called Obama’s claims “utter nonsense.” Putin said that if the United States government has any proof, “let them show it to the United Nations inspectors and the Security Council. Assad (a dictator and evil man for sure) is accused of killing 1,400 of his own people, although no solid evidence has been presented yet. **How would the killing of thousands of innocent human beings in Syria help to make things better there?** Thousands, hundreds of thousands will die if Syria is attacked. **How could this be called righteous?**

John 11:9-10: **“Jesus answered, are there not twelve hours in the day? If any man walks in the day, he stumbles not, because he sees the light of this world. But if a man walks in the night, he stumbles, because there is no light in him.”**

To make things worse, **this heart-eating militant group that is seeking to overthrow President Assad is ten times worse. Their association with Al Qaida and the Muslim Brotherhood is well established. Is this the group that America is trying to help so badly?** Truly, we can say without a doubt that the heart of America is no longer good; that is why America will cease to be great in the very near future. The LORD will no longer fight for this nation.

The people of this once great nation need to repent and turn back to Him who made America great. The only reason that America has not been destroyed yet is because of the remnant believers that the Father still has on this land. **This nation reminds me of the story of Samson. He was feared by his enemies because of the great power that he possessed. His power was not based on his own physical prowess, but on a covenant that God had made with him. His long hair was the sign of that covenant.**

Every time that his enemies tried to come up against him, all he had to do was shake himself and all his enemies would scramble and run away scared knowing the tremendous power that Samson had at his disposal. **As long as Samson kept his covenant with God, he was never defeated and the Israelites were safe from the attacks of the enemy.** However, the devil devised a plan whereby he would be able to defeat Samson and the Israelites.

He made a way for a woman named Delilah to enter into his life and lead his heart away from the LORD. She brought her gods and idols into Samson's life causing him to fall away from the righteous path. Eventually, she found out the reason for his strength and while he was sleeping one night, cut off all of his locks of hair. **Whenever the Philistines came against him, he shook himself as he usually did but this time, the power of God had left his life.**

Not only was Samson captured by the enemy, but his eyes were gouged. He was spiritually blind before, now he was physically blind. This story makes me think of what has happened to America in the last several years. **The enemy knew that America could not be taken down by force by its enemies because it was too powerful; like Samson was. Therefore, he had to come up with a way to make this nation break its covenant with the LORD.**

The sign of Samson's covenant with the LORD was his long hair. Samson had broken his covenant with God long before Delilah cut off all his locks of hair. Delilah cutting off his hair was symbolic of what already had happened in the natural. **Likewise, the spirit of Jezebel (Delilah is a type) began to work on this country a long time ago cutting off lock by lock the source of this nation's power so that bit by bit it would become weakened spiritually, then physically.**

The first locks it chopped off was when it began to infiltrate the churches and replace fasting with feasting, prayer with entertainment, the gospel of the Kingdom with the prosperity gospel. Convicting messages were replaced with seeker friendly messages; deliverance, miracles and healing were thrown out the window and replaced with a sanitized atmosphere where flesh was exalted, not God. **Churches began investing more money and time in building huge Church buildings, rather than building the Kingdom of God.**

The leaders became more interested in building church programs than in building God's people; they became a one man act where the preacher did everything rather than allowing the body to function as the LORD had ordained it in the beginning during the apostolic era in the book of Acts. Preachers placed more emphasis on information and eloquence than on the power of God. **Every time God would raise up a mighty man to move in His power, Delilah was not far away ready to seduce him with money, sex and power.**

Not many men were able to resist the incredible seductive power of Jezebel. The few who did became the object of her scornful wrath in the form of fierce persecution, ridicule, economic oppression and

physical attacks. **She is so persuasive, that she will pull down each and every one of your moral values and standards until she makes you compromise with the lusts of the flesh, the lusts of the eyes and the pride of life.** She is relentless; she will not quit.

Some of the signs that signal her presence in the world today:

- Weak Men
- Pornography
- Homosexuality
- Impotence
- Sexual Immorality
- Incest
- Religion
- Worldly Powerless Church

Truly, the spirit of Jezebel is being felt very strong in the world today, and especially in America. **In the same way that Delilah caused Samson to forsake the God of his fathers and go after foreign gods using her seducing enchantments, likewise Jezebel has caused the nation of America to forsake the Eternal One and go after foreign gods.** Ungodly statues and landmarks are being built all over this nation in honor of the foreign gods.

Now in the End of Times the spirit of Jezebel is making her final appearance as Babylon the Mother of Harlots because the King of Glory is coming. As Jezebel makes its appearance on the world scene so will the spirit of Elijah to confront her one last time. **The spirit of Elijah will be sent on the earth to confront and defeat Jezebel and prepare the Bride for the return of the King.** This is the main reason why the global cabal seems desperate, sometimes even to the point of committing an act of recklessness as with Syria:

2 Thessalonians 2:7-8: "For the mystery of iniquity does already work: only he who now restrains will do so, until he be taken out of the way. And then shall that Wicked One be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming."

Those who have the spirit of Elijah resting upon their lives are hiding by the brook of Cherith in their respective hiding places. They are being sustained there by the ravens, which the Father sends to His choice servants. The time for their manifestation is approaching fast, as is the manifestation of the evil ones who will be unleashed upon the whole planet. **Just when the evil ones are getting stronger, the righteous ones are getting weaker in their bodies, so that the power of the glory of Christ may rest on them.**

2 Corinthians 12:9: "He has said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Most gladly therefore I will rather glory in my weaknesses, that the power of Christ may rest on me."

The evil cabal knows that their time is at hand. This is one of the main reasons why they want to start this thermonuclear holocaust in the Middle East at all costs. In one clean swoop they will be able to destroy God's righteous seed along with multitudes ordained to eternal life before they get a chance to hear the glorious gospel of the Kingdom and be saved; they will take over the remaining gas and oil rich countries in the world, and finally usher in their NWO along with its infernal leader. That's why we must pray.

There is a Rabi named Judah Ben Samuel, who gave a prophecy in 1217 called: The Prophecy of Ten Jubilees. He prophesied that during the 10th Jubilee Jerusalem would be under the control of the Jews and the Messianic "End Times" would begin. If he's right, the 10th Jubilee began in 1967 and will be concluded in 2017. It is closer than people realize. Stay thirsty for Him my friends. Shalom.
