“SPIRIT OF ELIJAH COME”

JUNE/JULY

Behold, I will send you Elijah the prophet before the great and terrible day of Yahweh comes. He will turn the hearts of the fathers to the children, and the hearts of the children to their fathers, lest I come and strike the earth with a curse. Malachi 4:5-6

Several days before the terrible Colorado Theater shooting, a very heavy burden came upon me about people who were going to die and many of them would be lost for eternity. I was not shown what the tragedy would be, only that it was about to happen. I sent out an intercessory prayer alert to those on our intercessory prayer mailing list sharing with them this burden so they would join us in prayer. A few of the intercessors responded, but many of them unfortunately did not.

As all of you know last Friday, July 20 a gunman dressed as the Joker entered a theater in Aurora, Colorado and killed 12 people and wounded 59. He opened fire on the unsuspecting people who had gone to the theater to see the premiere of the Batman movie “Dark Knight Rises”. *Friday July 20 happened to be the first day of the Jewish month of AV as well as the first day of Ramadan.* We will share more on this subject later. Unfortunately, this may be a sign of things to come in the very near future.

As I was watching the headlines on TV, they were announcing that the massacre had taken place at the premiere showing of the Batman Movie playing in the theater in Aurora, Colorado. *For only a moment I read “Dark Night Rises”. After I blinked a couple of times, I realized that it said “Dark Knight Rises”.* I know when the Lord is talking to me. He talks like this to me all the time. I believe He was trying to show me that the darkness He warned me was coming upon the earth is now getting ready to manifest.

We have been warning God’s lambs of the need to become more sensitive to the leading of the Holy Spirit as we are entering the End of Times. *In the days to come, being sensitive and obedient to the dealings of the Holy Spirit may save our lives.* As we are being increasingly surrounded by a dark, dense veil of evil, the need to be filled with the light of His presence will become increasingly important. I strongly suggest to everyone reading these words to repent, cleanse your lives and get as close to Father as possible.

The U.S. is facing its worst agricultural disaster in over a quarter century, and perhaps it’s greatest since the Dust Bowl era of the

Great Depression. *Over 60% of the nation is experiencing drought conditions; 26 states have become disaster areas and 8 states have fires burning.* These conditions will produce food and water shortages all over the world in the coming months, as it will require massive amounts of water to be used for growing crops. These same conditions are happening in many food growing countries in the world.

Along with severe food shortages there will also be severe increases in the price of food in the very near future. I suggest you stock up now while you can afford it and it is available. 80,000 earthquakes a month are now taking place in the world. No one seems to be asking questions like why is this happening, but rather continue to see them as normal. Most of these earthquakes now go unreported. Instead, you are being fed vanilla flavored journalism dealing with scandals, court cases and celebrity news.

The globalist agenda is now moving ahead and advancing at an alarming rate and it may look like they are unstoppable. *However the Lord has a plan and a people that are prepared for such a time as this. These are His end-time warriors, the manchild, those that follow the Lamb wherever He goes.* Many already know who they are; others are just now being awakened as to who they are. It is time to come into perfect alignment with the will of the Father.

We are going to be part of the greatest battle between good and evil, light and darkness this world has ever witnessed. This battle will go on until the feet of Yahushua touches the Mount of Olives and lets out a mighty roar; then it is all over. *Just like in the days of Noah, the people today do not believe anything is about to change for they are too blind to see the storm clouds on the horizon.* They do not believe that the Day of the Lord is imminent, so they are not preparing for this incredible and glorious event.

This last Friday 7/20 was the 1st day of the Jewish month of AV, as well as the 1st day of the Moslem month of Ramadan. Both feasts will run through parallel through August 18. This has never happened in recent history as far as I know. Before he died, Rabbi Yitzshak Kaduri had a visitation from Yahushua who revealed to him that He was the Messiah. *The Rabbi was also asked by his Havruti (disciple) Rabbi Yosef Hayim Zaccai when Messiah would come. Although at first he refused, upon the insistence of Yosef he relented and said: “In the month of AV 5772”; He said it twice.* “5772 in the Jewish calendar is 2012 in the Gregorian calendar.”
