"HIS GLORY WILL BE REVEALED"

SPECIAL REPORT

a rise, shine; for your light is come, and the glory of Yahweh is risen on you. For behold, darkness shall cover the earth, and gross darkness the peoples; but Yahweh will arise on you, and his glory shall be seen on you. The glory of Yahweh shall be revealed, and all flesh shall see it together; for the mouth of Yahweh has spoken it.

Isaiah 60:1-2; 40:5

We are on the cusp of some of the greatest events in the history of mankind. A new day is dawning, a day unlike any other that has been in the past. The Son of the Creator will arise in the midst of His people, and His Holy Spirit shall be revealed in His people who shall rise up out of their slumber. ***The Bride is being called to shake off the dust, cast aside those things that stand in the way of her progress, arise and prepare herself for the day that she has been awaiting for: the coming of the Bridegroom.***

And great darkness comes upon the earth, so also shall the light of His glory be revealed upon the earth. And this light shall overcome the darkness, for the light shall be the light of His love that will radiate forth from the Bride, as she makes herself ready for the Lord. ***There shall be much anguish and much pain, but He shall arise in His people, and they shall go forth to conquer in His name and do many mighty works in His name.***

The glory of the Lord is about to arise in His people as it has never been seen before. In the past there have been flashes of that light in some areas, as various moves of the Spirit have taken place in different places at different times. However, this is increasing both in intensity and capacity, as ***the glory of the Almighty is going to be manifested in places that have never seen His power in the past.*** Isaiah 60:1-2 is about ready to be fulfilled right before our eyes.

Repeatedly Papa has assured me that His elect need not fear what is coming, and look upon the future with despair. It is a known fact that night becomes the darkest at 12 midnight. ***Here is wisdom: "When the great approaching darkness becomes the darkest at midnight, within those of us who are His hidden ones, the internal glory will be revealed and shine with such an intensity, the likes of which has never happened before."***

This is what the Bible refers to as the *Manifestation of the Sons of God*. There is much groaning taking place right now all over the world in the form of strange sounds resembling groans. These are

being reported in many countries. Many report that they are hearing trumpets blowing. ***We can speculate all we want as to what these sounds are; however, the truth of the matter is that we have never heard these sounds before in recent history and it signals that something ominous and momentous is about to happen.***

Yahushuah is about to call forth His hidden ones from all over the world; those that have been dormant, awaiting His command. They have been waiting patiently for the day of visitation and their manifestation. ***The time of manifestation is coming soon, when the internal glory shall be revealed. When this happens, they shall rise up and stand up on their feet as a mighty army. They shall come together bone to bone and that giant that comprises my Body will be revealed with great glory.***

When midnight comes and great darkness comes upon the world the sons of the evil one shall be manifested as well. We will see them for who they are. They will no longer be able to hide themselves from our sight, as they will be revealed for everyone to see. ***At the same those who have His glory dwelling within shall hear His voice, a sound from heaven. When this happens, the internal glory will be revealed in the hidden ones, who will then be transformed into the manifested sons of God for all to see.***

We shall arise as a mighty warrior, and it shall be a fearful sight to the enemy as suddenly there shall come a force that Satan has never reckoned with in the past. Suddenly, there shall come a power unrevealed in times past. ***His hidden ones shall stand up in power and great glory, and the radiance alone shall dispel the powers of darkness.*** The enemy shall flee in terror at their sight, as they stand up clothed in white garments shining like the sun.

Children, be not afraid at the approaching darkness or at the things that are fast taking place around the world. Do not see yourself small and insignificant, but see yourself through the eyes of our Beloved. Every single one of you is an important part of His Body. Though you may have been neglected and rejected by men, remember you have a special place of importance in Him. ***We are the generation upon whom the end of times has come. What a great honor and privilege to have been chosen for such a time as this.*** So, seek the Lord in repentance and prepare yourself that you may be accounted worthy to escape all these things that are about to come to pass and stand before the Son of Man. Shalom.
