“END OF TIMES - PART 4”

March

and because iniquity shall abound, the love of many shall grow cold. But he that shall endure unto the end, the same shall be saved. And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come. Matthew 24:12-14

As we have entered the spring of 2013, momentous events have begun to come together that signal trouble ahead. ***The times that lie right before us will bring to pass many things that we do not understand and are ill prepared for.*** I was shown in the year 2010 that a great darkness was coming upon the Earth and that there is much activity going on in Heaven right now in preparation for the things that were about to happen.

These events are now coming upon the face of the earth with the help of demons that are being released through opened portals and those that will be released soon from the bottomless pit. ***The next 18 months will see the beginning of these things coming upon the inhabitants of the earth as great darkness will cover this planet soon.*** My burden is great for the people when I see their blindness, even those who profess to know Christ. They haven't taken the time to prepare, and they will be deceived by the powers of darkness.

“For how can I endure to see the evil that shall come unto my people? Or how can I endure to see the destruction of my kindred?” Esther 8:6

Most of them do not know how to pray against these evil forces that are being loosed upon mankind for the enemy's final onslaught, persecution and chastisements against the Kingdom of Light. ***Planet earth has experienced this darkness before, the last time being during the Exodus. Now it will happen again; only this time it will be much worse.*** These entities will come as saviors to mankind, and will reveal themselves as the progenitors of the human race. This is the lie that Paul talked about, and our Savior also mentioned.

This lie will come accompanied with much forgiveness of debt, advanced technology and miracles of medicine that will seduce mankind into the worship of the beast. At first it will be voluntary, but then afterwards it will become mandatory. ***Only those who have taken the time to prepar spiritually and have a close walk with the Almighty will be able to resist this delusion.*** Many will be lost and go to hell as a result of this because they did not have a love of the truth. Truth is a Spirit, and not many walk in the Spirit of Truth.

Truth cannot be compromised, once it happens we stop walking in the Spirit of Truth. Unfortunately, most Christians refuse to believe this not only in America, but also the Western World. ***We are in a time of separation now, and everyone must make their choice of who they will serve.*** Many people have their eyes set on man, money, material stuff and not on the LORD. They are too worried and concerned about their personal problems and will be totally caught unprepared by what is about to take place.

This battle that is looming in the horizon will be titanic. Never has anything quite like it taken place. As they say, this is for the whole ball of wax, and there will be no holding back. The enemy will unleash all of his fury against humanity, especially against those ordained to eternal life. The others that don't know Jesus Christ or His ways will be at the mercy of the evil one. Many will call upon God in these last days, but it will be to no avail then. Now is the time for repentance and coming into alignment to His Divine Purposes.

I am blessed to have been chosen by my Heavenly Father to be used in deliverance during these last 30 years. During that time ***we have found that demonic spirits are terrified of the name of Jesus Christ and the mention of His shed blood at Calvary.*** They do not like to hear that name and hear you talking about His shed blood. It torments them and they beg you to stop. Also, I have found that it helps to ask the Father to send angelic help for protection. Angels are available for protection if we pray and ask the Father for divine assistance. In your own flesh, you can do nothing, only through humble, fervent prayer can we overcome.

The best place to be will be in His perfect will, doing that for which we were called in this life. Each one of us has our own destiny hidden in Christ. ***All of us will be called upon to endure things that we may not have had to endure before, and do things we may not have had to do before.*** This will require a higher degree of determination, endurance and patience from everyone who claims to be a follower of Yahushuah, the King of Glory.

Many will give up and forsake the Master who died for them and will betray one another. ***They will seek to save their own lives, but in doing so they will actually loose it.*** May the LORD grant us the ability to endure to the end and become partakers of His glory. May He have mercy, and grant us the strength and grace to be accounted worthy to escape all these things that are coming upon the world and to stand before the Son of man. Shalom.
