"D - DAY IS COMING"

MAY REPORT

Moreover all the leaders of the priests, and the people, transgressed very much according to all the abominations of the nations; and polluted the house of the LORD which he had sanctified in Jerusalem. And the LORD God of their fathers sent word to them by his messengers, sending them time and again; because he had compassion on his people, and on his dwelling place: But they mocked the messengers of God, despised his words, and scoffed at his prophets, until the wrath of the LORD arose against his people, till there was no remedy. **2 Chronicles 36:15-16**

It is a sad day in a nation when homosexuality is celebrated and Christianity is censored; where witches are financed and crosses are scorned; where bestiality and sodomy is embraced in the military and Bibles are banned; where same-sex marriage are encouraged but international charity is not. ***This sad state of affairs exists in the nation because the Christian Church has lost its savor; it is no longer salty. It has ceased to be the light that it was called to be.***

When looking for someone to blame, Christians should look no further than the person in the mirror. Most believers have no idea how far they have backslidden. There is very little conviction in the messages that are being preached from most pulpits today. ***It is the result of a people who have lost their identity; a people who have lost their love for the Creator and have replaced it with a love for created things.*** People have forgotten they were bought with a price so they could live for Him their remaining days on earth.

There is a great shaking coming soon that will cause many who are dormant and their garments stained with sin to rudely awaken out of their slumber. This is necessary in order for them to make it to the wedding supper of the Lamb. ***They refused to listen to the voice of those sent unto them telling them to prepare themselves, so now they must be purged in the fires of affliction.*** This fire will burn, purge and remove everything that offends Him.

Just like there was a natural D-Day in World War 2 that turned the tide of the war from the Axis Powers in favor of the Allied Powers, there is a spiritual D-Day coming that will turn the tide in the spiritual war from the forces of darkness in favor of the Kingdom of Light. ***The time of separation has begun in the Kingdom of God; however it is not finished yet. We are about to enter into a time the likes of which the world has never seen. The End of Times...***

We have shared about this with you before in our Newsletters, but most have not been able to receive it. These chosen ones that are about to be activated and empowered in their spirits have been bought with a price and belong to the Lord. They have paid a great price in their lives for the Master with pleasure. No one will be able to touch them or destroy them. They shall begin to change; their countenance shall change. ***The internal glory shall be revealed in them and change them from within as the outside will be changed.***

These are they in whom there is no guile; they are those who have separated themselves unto the Lord without hesitation and have counted the loss of all things as dung, that they might gain the excellency of the knowledge of Christ and win Him; ***they are those who have no confidence in the flesh, even though they may have reason to, but instead chose to glory in His sufferings that they might know Him and the power of His resurrection.***

These mighty holy ones that are coming are transparent and walk full of light, love and humility. These are the Chosen Ones from the foundation of the world, appointed to be the golden vessels that will carry His glory in the End of Times. They will be clothed in the glory and power of the Most High. ***This will take place at 12 midnight, when the darkness will be at its greatest and the enemy will be celebrating his moment of greatest victory.***

It shall be accompanied by many signs in the heavens and on the earth. Many people on television will try to explain away these events at that time as normal, and will even try to dismiss them. ***But God will do great signs and wonders that will not be able to be disputed or rationalized by anyone. Many supernatural miracles of nature will be seen by the multitudes who, in spite of those who mock, will believe and be converted to Messiah as a result of it.***

So many simultaneous events will be taking place one after another after another, that many people will go into shock for fear of the things that are coming upon the world. ***Only those who have kept their garments clean and are walking in intimacy with the Father will be able to survive the things that are coming upon this world.*** These will be aided by His mighty army of warriors that Papa will use to succor His Bride. This will be one of the most glorious times in the history of mankind.

Get ready people for the times at hand. Do not squander whatever time is left. Be of good cheer. Shalom my friends.
