“INTERCESSORY PRAYER ALERT”

And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men who have not the seal of God in their foreheads. Revelation 9:1-5

Throughout the season of Rosh Hashanah and Yom Kippur we spent much time in the presence of Papa. *I believe that the signs in the heavens that took place with the passing of Elenin and what took place in the constellation Virgo set in motion things that reflect many of the things that are written in the Book of Revelation 12.* We wrote about that in our previous newsletters and warned His lambs to be prepared for these things. We caught a lot of flack from ‘false brethren’ whose area of expertise is to criticize.

Many chose to attack me simply because things did not happen as they thought or when they expected them to happen. We were always very careful to state whenever we were speculating, that the information we had access to available out there was scanty at best, and mixed in with a lot of disinformation designed to confuse and throw off those who were trying to alert the public. *We were also involved in intercessory prayer along with other saints, asking Papa to intervene for the sake of His elect.*

Of course, this is something that most of the so called “brethren” do not understand, even though we have warned all believers in Yahushua about the necessity to do intercessory prayer, and have put out materials to help them understand it, such as our book “Open Heavens”. *If you do not believe in intercessory prayer do me a favor and do not read the rest of the newsletter.* The information I am sharing here is not so you can sit behind your computer and send me nasty e-mails, it is so **YOU INTERCEDE.**

Back in the month of June in our Second Quarter Newsletter, we stated that Humanity was now entering a time of great darkness the likes of which the world has never seen. We said that the powers of darkness had all of their people already in place ready to

fulfill their designated roles whenever the signal was given or a trigger event would happen. *They all seemed to be waiting for an event to happen.* We also said that while the kingdom of darkness was preparing its people, Papa was also preparing His own.

We have shared for many years through newsletters and audio files what Papa has been showing me was about to happen, and the fact that *I have been seeing the number 11/11 everywhere since my dad passed away on 1/11/2001 at 11:11 am.* That was a wakeup call for me; then later that year the 9/11 attack took place in N.Y. where the Twin Towers were destroyed. *The 9/11 event represented a hidden sign (Number 11) to those who were watching that their long awaited NWO was about to take place.*

It was signaling that the countdown had begun for the tearing down of the established order of things, and the New World Order was about to begin. *After that catastrophic event that cost the lives of 3,000 human beings, the New World Order agenda took off and has intensified in recent years.* This year we have seen the Arab Spring, which has already taken down regimes in Egypt, Libya and is now threatening to do the same in Syria, Yemen as well many other nations in different parts of the world.

The year 2012 and the Mayan Calendar Prophecies have always been not only about cataclysmic events taking place, but also about the return of Quetzcoatl, the Feathered Snake who will usher in the return to a time when the world was ruled by these barbaric fallen angels, Nephilims and demons. This entity will not rule alone, but will bring with him the 12 (snakes of wisdom) ascended masters who together with him will rule the world in the most barbaric and bloody 3½ years this world has ever seen.

On October 26, a group of 13 Mayan elders arrived in the US to begin a journey that will take them across the country from NY to LA carrying 13 crystal skulls that will be used in ritual ceremonies at various new age “hot spots” across the country. These Crystal Skulls are said to hold mystical properties, and have gained interest in the United States and around the world in recent years with films such as Indiana Jones and the Kingdom of the Crystal Skull which multitudes of people saw in theaters.

These ceremonies are right down chicanery, and dangerous demonic rituals at its worst. How could a nation that was dedicated to God by George Washington and its founders, and

blest more than any other nation on the face of the earth because of it, steep so low as to embrace the rituals of pagan cultures known for their bloody human sacrifices to a demon.

This type of things will only serve to alienate us even more from the Father, and unleash all kinds of demonic curses on this land.

The journey of these 13 Mayan Elders will conclude in the city of L.A. on 11/11/11 with a ceremony designed to open a portal to another dimension and awaken spirits in the North American Continent. They say that when these spirits are awakened (released), they will impart to the people ancient wisdom regarding the future of mankind contained within the skulls. This event could very well have something to do with the release of the imprisoned spirits in the bottomless pit mentioned in Revelation 9.

If this were to happen, it would coincide with the deceiver being thrown to earth and given the key to the bottomless pit releasing all the spirits bound there by the Almighty. This is what CERN has been working so hard to do, along with HAARP and all the ungodly technologies that have been given to the powers that be with the sole express purpose of releasing Apollyon from the bottomless pit along with the twelve snakes of wisdom. These are the same words spoken by Peter, Jude and John in the scriptures:

2 Peter 2:4 *"For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment."*

Jude 1:6 *"And the angels who kept not their first estate, but left their own habitation, he has reserved in everlasting chains under darkness unto the judgment of the great day."*

Revelation 9:3 *"And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power."*

Revelation 9:11 *"And they had a king over them, who is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon but in the Greek tongue he has the name Apollyon."*

We shared in our last newsletters and audio files that this event was imminent, as we were given various signs in the heavens this last Rosh Hashanah and Yom Kippur telling us that the event spoken of by John the Apostle in the Revelation 12 that Adonai gave him in the Island of Patmos was about to take place. Believers, including well known Christian leaders, want to see proof, the smoking gun. Unfortunately, whenever you see the smoking gun it is going to be too late, and you will be the corpse.

Along with these events taking place, there will also be a FEMA Nationwide EAS Test taking place this 11/9/11; there will also be a Pacific Tsunami Warning and Communication Exercise on the same day 11/9/11; there is also a 1,300 foot asteroid YU 55 passing near the earth on 11/9/11; and as if that is not enough, planet earth will be passing thru Elenin's debris field on 11/9/11. In addition, Richard Hoagland has been making news again. At this point, I don't know how much he can be trusted.

For all we know, he could be a disinformation agent. In a recent interview, he stated that he has been told by some of his government sources that the trajectory of YU-55 had changed during its Perihelion, putting its trajectory much closer to the earth and moon. ***He says that according to his sources, there is a good chance that YU-55 will hit the moon.*** I don't know what that would mean for planet earth, but I imagine it would be catastrophic. ***It is enough to give anyone who does not know Him a heart attack.***

Luke 21:25 *"And there shall be signs in the sun, the moon and the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; men's hearts failing them for fear, and for looking toward those things which are coming on the earth: for the powers of heaven shall be shaken."*

Again, I need to make perfectly clear that these events that we have mentioned are indeed happening as proven by the links in the next section "Real News That Never Made It to the News", and are not speculation or the wild ramblings of this old Cuban man of God. As far as the end results and whether many of these things do indeed happen or are delayed once more by the Almighty, is totally dependent on whether His people will humble themselves and pray, seek His face and turn from their wicked ways.

Papa is more than able to do anything He sees fit to do. He does not need permission from Bible scholars or petulant spoiled little baby Christians to do anything He wants to do. However, as it is written throughout the scriptures in His Holy Word, He does nothing unless He first reveals it to His servants the prophets. It is the job of His servants the prophets and watchmen to reveal what the Father has shown them so that the people can repent and turn away from evil. It always comes down to that.

I have stated many times that we have been given a great and awesome responsibility and privilege to intercede and pray that His will be done on the Earth as it is in Heaven. This is something that most believers do not know, or do not care to know. We know the enemy has a plan that he is executing with great speed now on the earth. If he is not confronted with authority and the power of spiritual intercessory warfare, he will have his way with the earth and the Lamb's sheep in a way most cannot even imagine.

Papa has shown this to me; memories too horrible and painful to remember, and even more difficult to share. It would make people upset if they knew the things that the devil has planned for them and for their children. It will be a repeat of the barbaric days of the Holocaust during Nazi Germany, or even going further back to the days when Quetzcoatl ruled the earth with his fallen angels, Nephilims and demonized humanity. Let me just say that it is not something anyone would want to experience.

I have prayed much about many of these things and shed many tears pleading to Papa for mercy, that He would postpone or delay all of this and that many of these things would not take place now. He has said to me that this is the enemy's moment. He will have his way and nothing will be able to stop him from bringing it to pass. This is a time when the gates of hell will be opened and the powers of darkness will be released upon all the earth, bringing about such darkness unequalled in the annals of human history.

Papa has shown me that His elect must be hidden in Him, in the shadow of His presence. He told me to alert the people and sound the trumpet to alert His people. There is a great battle raging in the heavens right now. All of this will reach a climax very soon and America will play a vital role in all of this. I call on everyone to intercessory warfare for the next two weeks and beyond, calling for the protection of His saints and those who are heirs of salvation and their families from the powers of darkness.

We are entering a very dangerous time, but Papa has shown me that He will protect His own. Many will lose their lives in the events about to take place in the near future, others will go into captivity, and others will be delivered. Persevere to the end through all the trials and tribulations that may come across your path and you will receive the crown of life from the soon coming King. Shalom.
