No. 9 Issue 2012

“END OF TIMES - PART 2”

November/December

The heaven, even the heavens, are the LORD's: but the earth has he given to the children of men. The dead praise not the LORD, neither any that go down into silence. But we will bless the LORD from this time forth and forevermore. Praise the LORD. Psalms 115:16-18

The Mayan December 21, 2012 doomsday has come and gone and we are still here. Many doomsayers were disappointed that the world did not end, while the politically correctness majority are quite busy telling everyone: *“I told you so”*. However, I believe that history will reveal that both of those camps were wrong. ***The end of the world didn't take place, just like many of us had anticipated and stated numerous times.*** However the New Year 2013 we are entering will usher America and the world into uncharted territory.

The election of 2012 has come and gone and the people of America have made their choice. Some may say that this was the will of the LORD; however that is not what the Bible tells us. ***Most of the things that happen on the earth are not the will of the Father.*** For so long I have heard this erroneous doctrine preached by most preachers in America and in the world. Disasters like a lunatic taking the lives of 20 children and 6 adults at the School in Newtown, CT or monster Hurricane Sandy must not be assumed to be God's will.

This is the type of thinking that turns most people away from wanting to have a relationship with our loving heavenly Father. Truth of the matter is that ***the darkness engulfing this nation and the whole world is the result of the actions of the people, not the Creator.*** There is much ignorance in the Christian world in reference to the dynamics and principles of the spirit realm. Their belief system mostly is based on a mythical, Calvinistic, anti supernatural Judeo Christian worldview that attributes most things to the will of God.

The truth is that most of the things that happen on this planet are the result of the actions of man. ***The LORD gave this earth unto man to rule over it. However, Adam gave control of this planet over to the evil one in the Garden of Eden. Since then, the evil one has legal authority over this planet to exercise his will and plan.*** Through His victory at Golgotha, Yahushua purchased back the souls of mankind and the title deed to the earth.

However, ***His victory at the Cross must be forcefully implemented and enforced daily and in every circumstance. It is not automatic.*** It is here where most make the fatal mistake thinking that they do not have to do anything because Jesus Christ did it all at

the cross. This is the reason why most Churches today are devoid of the power of God. If we don't preach the gospel, no one will be saved. If we do not pray for the sick, no one will be healed. It's that simple.

Truth is not a conspiracy, phobia or a point of view. Political correctness is destroying this once great nation who many years ago stood for truth, justice and the pursuit of freedom. ***Truth is the only thing that exists on this planet that will set people free. Truth is a Person*** according to the Apostle John, author of the gospel that goes by his name. Truth has been removed from the school system, court systems and government agencies. It is prohibited from even being mentioned in the media and considered politically incorrect.

There is a deep divine discontentment in the whole world that is causing most people everywhere to question what they have believed all of their lives, and to seek a Higher Truth. This feeling has only just begun to manifest in all mankind. However, it will begin to escalate and eventually reach a snowballing effect. There will be an awakening in the consciousness of the people, and many will begin to question things that they have put their trust in all their lives like the government, religion and even the purpose of their existence.

The behavior of people will begin to experience a noticeable change in the coming days as both great darkness and the Glory of the LORD both intensify upon the face of the earth. The way in which the people are affected will depend on where they happen to be spiritually speaking. Most of humanity will choose to follow the way of darkness with all of its violence, lust, hatred, pride, fear and deception that will culminate with the arrival of the man of lawlessness.

The world will continue to experience climate and earth changes which will completely decimate the food growing regions of the world, ushering in a horrific wars, famine and plagues. ***The activity in the sun will increase temperatures, causing the polar ice caps to continue to melt at a much higher rate, bringing about coastal flooding in many parts of the world.*** This will in turn cause solar radiation and the temperatures to increase even more.

I was shown that an object of some kind will appear in the near future and endanger human life on this planet. ***This object has been used in the past by the Creator to bring about Divine Chastisements upon this planet. He will do it once again.*** Those of us however, who have chosen to follow the Lamb will experience literal waves of glory in the coming days, as we have come to the end of the Church Age and entered the glorious Kingdom Age. Shalom.
