

It is the glory of God to conceal a thing: but the honor of kings is to search out a matter. The heaven for height, and the earth for depth, and the heart of kings is unsearchable.
Proverbs 25:2-3

For the past several weeks, I have been seeking the LORD in prayer concerning what the next few months hold in store for us; so that we His people may be able to prepare, pray and intercede more effectively in hopes that peradventure, these events might be postponed or lessened.

As I was sitting at my desk meditating on the many things that are presently taking place in this nation, and what could be ahead as we approach the 2020 Presidential elections, I had a sense of foreboding in my spirit. This usually means that I am about to receive a message from God. Suddenly, I heard in my spirit:

"CROSSING THE RUBICON"

I realized that the LORD had just told me something of great importance concerning what may soon be facing this nation. This is a word that I am not familiar with, and one that I have never used to my recollection. I may have heard the word Rubicon a couple of times before, but I have never felt compelled to look into its meaning, until today. God has spoken to me in times past of things which I had no prior knowledge of, and was forced to search out its meaning.

As I began to search for the meaning behind what I had just heard, I found out that Rubicon is a metaphor that means:

"TO TAKE AN IRREVOCABLE STEP THAT COMMITS ONE TO A SPECIFIC COURSE"

"TO PASS A POINT OF NO RETURN"

As I continued to search out the meaning of the word, I found out where the word Rubicon originated. According to history, it

had its origin back in January 49 BC to Julius Caesar crossing the Rubicon River, which precipitated the Roman Civil War. According to historians, when Julius Caesar crossed the Rubicon River with his 13th legion, it was considered an insurrection, treason and a declaration of war on the Roman Senate by the Roman Government.

According to historians, as his army marched through the shallow river, Julius Caesar is said to have uttered the following phrase:

"ALEA IACTA EST - THE DIE IS CAST"

Some time back, God spoke to me that the destiny of this nation was in my hands. I understood that to mean that the destiny of this nation was in the hands of intercessors such as myself. As I began to pray and meditate on what I had heard, *it began to dawn on me the great responsibility that has been placed upon His people*, especially those who happen to live on this land and call it home.

We are called to be God's stewards and intercede for the spiritual condition of this nation. Every one of us is responsible for all the moral corruption and decadence that has been allowed to take place on this land over the years. *We are all guilty of sitting on our hands*, while the Creator and prayer was removed from schools, government and abortion and same sex marriage made the law of the land.

I shared that to say that in the very near future, this nation could very well be Crossing the Rubicon. That is, it could very well pass the point of no return. I say this with a heavy heart. Those are the stakes. There are evil dark forces in this nation at work right now, trying to start a civil war. I received a vision of the night concerning this back in October 2012 titled:

"REVOLUTION COMING TO AMERICA"

This nation was given one last opportunity to turn back to God in 2016 and bring down the high places that had been set up over the last several decades. Some progress has been made by President Trump since the elections. He has bravely fought, sometimes singlehandedly, against the evil dark forces arrayed against him. I trust that believers will not be offended by what I have shared here. However, it had to be said.

I encourage everyone to consecrate a time of prayer and fasting starting on 9/18 (Trumpets) through 9/28 (Yom Kippur) for this nation. Once this nation crosses the Rubicon, it will be a point of no return. However, if we prevail in prayer, it will set the stage for one of the greatest harvest of souls ever seen.
