“END OF TIMES - PART 1”

September/October

Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the LORD: And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse. Malachi 4:5-6

A few years ago, I was in my yard praying and meditating on the LORD, when unexpectedly I heard Him say: ***“I will turn the hearts of the fathers to their children, and the hearts of the children to their fathers”***. At the time, I did not understand what He was trying to tell me, although I knew that it had to do with the spirit of Elijah and His return. It would take several more years for me to begin to grasp the full meaning of what the Lord was trying to tell me.

When Yahushua first called me into this ministry from the church I was Pastoring in Miami, ***He told me that He was sending me to prepare His Bride for His return***. Although at the time I did not understand the full implication of what He had told me, I obeyed Him immediately in my Abrahamic call and resigned as Pastor of the Church, leaving with my family not knowing where I was going. ***I was to be prepared first, before I was ready to prepare His Church***.

The main purpose of the ministry of Elijah was ***to prepare the people for the coming of the LORD*** by turning the hearts of the fathers to the children, and the hearts of the children to the Father.

Luke 1:17 ***“And he shall go before him in the spirit and power of Elijah, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the LORD.”***

Malachi 4:5-6 says the same thing, with the only difference that in this case it is going to happen right before the great and dreadful Day of the LORD takes place. As a matter of fact, ***the return of Elijah ushers in The Day of the LORD***.

Right now ***we are on the threshold of the End of Times*** when the great Day of the LORD is about to be manifested. ***The spirit of Elijah is about to be released upon this planet; this outpouring will initiate the manifestation of the sons of God***. This event will cause the greatest turning of the hearts of the children to their Father that the world has ever seen. ***This event will take place at a time when a great darkness, the likes of which mankind has never seen or experienced, descends upon the whole planet***.

The trumpet blast is coming, maybe sooner than you think. What if this is the year? What if the 6th seal is opened, the poles shift and

we experience the beginning of the end of times? ***Are you ready to rely upon Him to lead and guide you into His kingdom***, or will you be like so many others, who begin shaking their fists at God because the tribulation has begun and He is causing them to go through it all, just like the rest of the world? Wake up, you who are asleep.

The spirit of antichrist is getting very strong in the world, as the way is being prepared for the manifestation of the man of lawlessness. The Caliphate is being put in place for the return of the Mahdi even as we speak. ***Father has seen our prayer and fasting and given us more time to prepare and get things done as first Libya, and now Syria have proven to be tough bones to crack***. However, this may soon take place, and once it does the Caliphate will be complete and ready for the manifestation of the lawless one.

The spirit of Antichrist is causing the truth of the word of God to be diluted by those who are seeking self gain, and building for themselves a kingdom on this earth. They are celebrated and made famous by the religious media and the whore of Babylon, while at the same time, the true apostles and prophets of the LORD are ridiculed, criticized and persecuted because of the visions they share in love to warn the multitudes of impending dangers and cataclysms.

The devil and the powers of darkness have intensified their attacks upon the elect of the Father, because he knows that time is running short. ***There is no hope for those who are aligned and working with the evil one (they know who they are) unless they repent immediately and turn from their wicked ways, rending their hearts in true contrite repentance to the LORD. Once the Day of the LORD begins, it will be too late. There will be no more time***.

Recently I was shown how the seed of the evil one has countless times in the past concocted behind closed doors their evil plans to try to destroy, exterminate and commit genocide on the righteous seed of our Father, (<http://theappearance.com/new-page-61.htm>) and how they have failed every time. Likewise, this time Father will not allow their evil plans to take place either. ***Father will unleash horrific disasters and cataclysms on the earth to stop these evil men from bringing to pass their evil plans. It will not be pretty***.

As we get ready to vote on this election, massive hurricane Sandy is threatening to cause havoc on the Northeast next week potentially impacting the upcoming elections. Continue to pray for the upcoming elections; cast your votes for Biblically righteous and moral candidates that God may bless and protect you in the days to come. Shalom.
