“PROPHETIC ALERT”

September/October

But the people that do know their God shall be strong, and take action. And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by plunder, many days. Now when they shall fall, they shall be aided with a little help: but many shall join to them with flattery. And some of them of understanding shall fall, to test them, and to purify them, and to make them white, until the time of the end: because it is yet for the time appointed. Daniel 11:32-35

As I am sitting down writing this newsletter, we are almost at the end of the year 2013 and things ‘seem’ to be business as usual. However, *there is a feeling of discouragement and depression prevailing in the majority of the people.* They see a future where the economy as well as the nation, will continue to deteriorate and unemployment will continue to increase. The moral fiber of the nation has become so decadent, that it now resembles Sodom & Gomorrah.

Not only is the nation falling apart, but *the very freedoms we once cherished in this land are being replaced by an oppressive big brother state.* However, the end time harvest of souls is upon us. It's time to put in the sickle and reap for the harvest is ripe. It is time get your personal house in order and prepare for the greatest battle between light and darkness this world has ever seen. The enemy will engage every believer in Christ whether you want to or not. It is time to choose who you will serve and then act on it.

You will need to have a very sharp discernment to be able to differentiate what is good from that which is evil. *There will be many manifestations which will have an appearance of good, but will be evil in nature and will deceive the multitudes.* This has already begun, and this delusion will only grow stronger as we enter the next phase for the manifestation of the man of lawlessness. The world is being prepped for the arrival of the beastly NWO messiah.

The dark seduction and deception that is coming will be so strong that most will not be able to resist it and will forfeit their eternal soul. *The New Age Messiah will make his appearance with the arrival of extraterrestrial beings (read fallen angels/nephilims/hybrids) with every kind of advanced technologies, promising to usher in a New Age Utopia* shortly after the world comes to the brink of total annihilation through thermonuclear war, plagues, famine and horrific cataclysmic events. This event is not too far into the future.

We have been warning the people non-stop for the last several

weeks concerning these things that are coming upon the earth, after being told by the LORD told us to warn His people during a time of fasting and prayer in September. I did not understand the instruction, since I have been warning His people for years. However, when I inquired of the LORD, *He just kept saying the same thing “WARN MY PEOPLE”*, and told me to share it on every radio and blog-talk radio that would let me to do it, although I didn't know what that was.

As I took this matter to prayer asking the Father to reveal to me what was the urgency, he brought to my memory what He had shown me earlier in the year on March 19. Still, I was not sure exactly what it was. There are so many things about to happen, how could I know? Then a couple of days later, *someone sent me an article that had been posted on Steve Quayle's site regarding strange events going on in Puerto Rico.* According the report, over 750,000 FEMA coffins and body bags had been seen arriving into Puerto Rico.

Not only was I able to confirm this through multiple sources, but I was flooded with e-mails from people who have families in Puerto Rico reporting the very same thing. As I continued to pray and seek confirmation from the LORD, I was able to contact a prophet from Puerto Rico, *Efrain Rodriguez who was shown in 2010 that an asteroid would strike the Caribbean, just west of Puerto Rico.* I contacted this brother and he sent me quite a bit of information.

The pieces began to come together at the speed of lightning; the preparations in FEMA Region 3 that have been going on for months now; the dire cryptic comments from exiting Homeland Security Chief Napolitano; the massive military troop movements going on all over the country and Puerto Rico, now it all began to make sense perfect sense. *However, I was still unsure if this was what the Father had been trying to show me, so I was hesitant to take action.*

That very same day, I felt impressed of the LORD to call a relative of my wife (her mother is Puerto Rican) in Hollywood Florida who was used of God years ago to take a cross all over the world preaching the gospel as he went, similar to what Arthur Blessit had done before him. He has had many powerful visions from God which he has shared with me in the past. As I told him what the LORD had shown me, along with everything that has been taking place, He listened attentively.

When I finished, he said he was now going to share a vision with me that he had just had a couple of weeks earlier which he had not shared with anyone before because it was so incredible and hard to believe. *As he shared with me the experience, I suddenly realized*

that it was the final piece of the puzzle to the message that the Father was urging me to release. I quickly prepared and released the information for the first time with Larry Taylor in Blog Talk Radio with Dorothy Crothers. This was just the beginning.

Most radio show hosts quickly contacted me and graciously invited me to share the message using their God given platform. However, not all radio show hosts allowed me to share this message. The very ones who I loved and thought were my friends never did give me the opportunity, even though I called several times. **The Lord closes every door that I am not supposed to walk through, and opens every door that I am supposed to walk through.**

The Almighty has opened many effectual doors to allow us to share this vital message not only in English, but also in Spanish. These messages are being downloaded and listened to in at least 27 nations. Praise God. Man is not faithful, but the LORD is always faithful. **I am very humbled by what He is doing in this ministry. Many things are now about to take place that will confirm many end time visions, dreams and prophecies.**

Divine instructions are about to be released and each one will be told to do something specific and different. Divine strategies and finances are going to be released in order bring in the last great harvest of souls before the end comes. **There is an angelic separation taking place right now of the godly from the ungodly; holy from the profane; sheep from the goats and tares from the wheat as the judgments are getting ready to fall.**

The Lord is about to invade this earth with His Glory. Many of those who for many years have been in the spotlight will be seen for who they really are and will be exposed for all to see. This is going to bring about much consternation in the church and the world in general. **Many will leave church en-masse and go after esoteric, occult and new age doctrines.** This will be the beginning of the great falling away that **will lead them into the arms of the New Age Messiah and his New World Religion.**

In 8/27/2012 I had a dream about Hurricane Isaac in which I was shown what it represented and the drastic changes it would bring to the nation along with it. This was confirmed two days later by Susan O'Marra's Vision of Three Visitors (posted on our website). The most important part of this vision is now fixing to come to pass. **It was a sobering warning to all believers who are in sin, backslidden and living in the world.** Please take time to read it for yourself.

One of the messengers said that to me: **"Isaac is a harbinger, announcing to everyone the manifestation of the sons of God and the coming persecution of believers."** I will talk more about this in a moment. He then told me: **"during the coming earth changes and persecution many 'Dead Christians' are going to die."** When I inquired of him about the godly saints, those who were His elect and walked with Him in purity and holiness He repeated it again stronger: "Dead Christians are going to die"; then said it again.

Many believers have allowed darkness to come into them through various ways and forms. Many have allowed sin to take over their lives and caused them to be brought into captivity; others have **allowed resentment, bitterness and unforgiveness** to take root in their hearts causing their prayers not to be heard by the Father; while others **have allowed the world to come in** and steal from them the love, desire, passion and time they used to have for the Lord and His Word. As a result darkness has entered into them.

Many things are about to take place which necessitates His people to **be positioned and in divine alignment in order to be protected during the coming severe judgments upon this world.** I cannot emphasize enough the importance of what I am sharing. It behooves us at this time to pay close attention to the instructions each one of us receives individually from the LORD. **There are those**

whose assignment from Heaven is about to change. This will separate those who are led by the Spirit and those led by the flesh.

Some will be told to leave major cities and coastlines and go to a specific place to do a work there; others will be told to stay where they are and will be protected there as they fulfill their commission; others will be told to leave the mainland altogether to a place prepared for them where they will begin their new assignment. **Obedience and the timing of it will be the key.** If it is done before it is time, you will miss the will of God; if it is done too late, it could prove to be fatal.

A few days ago in the morning, the Holy Spirit gave me a word from the book of Daniel regarding the end times that I believe is important. **I was shown that there are going to be three groups of people in the end of times according to Daniel 11:32-35.** Although I had read this passage many times before, I had never seen it. We are going to take a look at the three groups mentioned and then one by one. The three groups of people are:

1. Those that do wickedly against the Covenant (v.32)
2. Those that know their God shall be strong & do exploits (v. 32)
3. Those that understand among the people... shall fall to be tested, purged and made white until the time of the end (v. 33-35).

Before we go any further, let me state that I am aware that this scripture may have already been fulfilled by Judas Maccabaeus who began his opposition against Antiochus IV Epiphanes (an antichrist) on 167 BC. However, as some of you know, **scriptures usually have what is known as a 'dual fulfillment'.** Many times I have been given a 'present truth' based on a scripture that has already been fulfilled. The Holy Spirit chose that specific scripture because it perfectly fits the message that He is trying to convey concerning a present application.

Those in the first group are those who act in a wicked way against the keepers of the covenant (followers of Jesus Christ Yahushua). The covenant refers to the covenant made by Jesus Christ with His followers during the last supper. For an in depth study on this, go to our website to the Q & A section and read **Daniel's 70th Week and The Abomination of Desolation.** **These shall be totally deceived and corrupted by the man of lawlessness, and will take part in the outpouring of the Wrath of the Lamb.**

Those in the second group are those that (*Yadah*) know their God by experience and relationship. A close relationship with the Almighty generates (*dunamis*) explosive supernatural power, which will cause them to do mighty exploits (deeds). **These are the manifested sons of God who will be revealed in the end of times.** This has been told to numerous servants of God in the past as well as in recent times; men and women who did not know each other and yet received the same exact message from the Father. I have written on this before.

Those in the third group are the multitudes of believers in the churches today, who have confessed Jesus Christ Yahushua as their Savior but are not living a life of purity, love, humility and obedience. **These have allowed sin and the world to contaminate their garments, and take the place of their first love for the LORD.** This group also includes the pastors, preachers and teachers who have sold their divine birthright for a plate of lentils.

These are the ones referred to by the Apostle Jude 11-13. Daniel says in 11:33-35 that they are going to fall by the sword and go into captivity, so that they can be tested, purified and made white until the time of the end. **This group is not ready to meet the LORD in their present condition.** That is why they are going to have to go through a season of extreme purging where they will be purified and made ready to meet the LORD. If the people knew what was coming, they would repent before the LORD in sackcloth and ashes with much weeping.

I know that this is a strong word. Blessed are those that hearken unto it, and obey the voice of the LORD. Shalom my friends.
