

The Warring Angels and the Harvesting Angels 09-06-15

In the vision, I am standing and I see a vast number of angels descending from Heaven downwards, into the city of Rochester. These angels were very fierce and were heavily armored. They had long hair and rippling muscles and chiseled features. Behind this group of angels, I then saw other angels coming down, and these were not as heavily armed but had various implements in their hands. The first group of Warring Angels had opened the way for the second group of angels to come into our realm. I knew that the second group of angels was Harvesting Angels.

The warring angels have been sent from heaven in conjunction with the release of the documents from the courts of heaven to open the way for the implementation of the purposes of God in the City. I knew that the harvesting angels would now work with the Body of Christ here to implement the new directives of the Lord, which will also serve to hasten the answers to our prayers for the sake of the harvest. I saw the harvesting angels go to all of the places of prayer where saints were gathered and they began to release strategy and wisdom to them.

The Father has a detailed harvest plan for every city, and region in the earth, and it is now time for the Body of Christ to understand more of what has waited to be revealed and unfolded into the earth. The warring angels are bringing the needed breakthroughs now, so that the needed wisdom from above can now descend, for we are now mature enough to receive it. Council will also come forth from the Father to enable the precise implementation, to be stewarded correctly across the Body of Christ, which will also ultimately transform this generation.

Because of the importance of these courtly dispatches, the warring angels will also bring to an end every evil work that has opposed, hindered, and obstructed the release of the courts decisions from heaven. A great cleansing will now purge every work in the earth that is not truly rooted in the heart of the Father, so that what has masqueraded as the true will not hinder those who are to come into the Fathers House. The harvesting angels will gather out the hidden tares and will swiftly remove them from their places, so that the harvest can be accelerated in the earth.

The angelic reinforcements have come to open the harvesting gates, now that the new leaders have their rightful documents. The warring angels and the harvesting angels work together with men to bring forth the answers from every prayer that has risen to the Father for the harvest. Heavenly dispatches will now begin come to those who will hear the His Voice, and you will also know the strategy of the angelic forces arrayed around you. It is time to arise in your cities, and look up, unto Him who is answering you and is sending you help, for the harvest fields are ripe around you, and every soul's care has been entrusted unto you!

Matthew 13:37 He answered, He Who sows the good seed is the Son of Man. 38 The field is the world, and the good seed means the children of the kingdom; the darnel is the children of the evil one, 39 And the enemy who sowed it is the devil. The harvest is the close and consummation of the age, and the reapers are angels. 40 Just as the darnel (weeds resembling wheat) is gathered and burned with fire, so it will be at the close of the age. 41 The Son of Man will send forth His angels, and they will gather out of His kingdom all causes of offense [persons by whom others are drawn into error or sin] and all who do iniquity and act wickedly, 42 And will cast them into the furnace of fire; there will be weeping and wailing and grinding of teeth. 43 Then will the righteous (those who are upright and in right standing with God) shine forth like the sun in the kingdom of their Father. Let him who has ears [to hear] be listening, and let him consider and perceive and understand by hearing.
