THE CHILDREN'S BREAD #2

Mark 7:25-26 *"For a certain woman, whose young daughter had an unclean spirit, heard of him, and came and fell at his feet: The woman was a Greek, a Syrophenician by race; and she besought him that he would cast forth the demon out of her daughter. But Jesus said unto her, let the children first be filled: for it is not right to take the children's bread, and to cast it unto the dogs. And she answered and said unto him, Yes, Lord: yet the dogs under the table eat of the children's crumbs."*

As we entered this year 2013, the level of demonic attacks taking place on the people is on the rise all over the world. ***As Wormholes & portals of hell are being opened, the most hideous demons & evil spirits are being allowed to come into this realm and torment mankind.*** This will continue to increase as these entities eagerly anticipate the arrival of their Prince from the bottomless pit to lead them into NWO.

This will trigger many old & new diseases in people that medical science will not know how to treat. The main problem with doctors today is ***they see people as only a physical body, when in reality we are made up of body, soul and spirit.*** Any time medical science fails to understand this basic truth, a most tragic mistake is made in identifying & diagnosing the true cause of a disease, thus treating it improperly.

Sometimes sickness and disease are caused by the presence of spiritual forces most people do not understand like spirits of infirmity. This is recorded throughout the New Testament in the life and ministry of Yashua. ***The LORD is never the author of sickness. In fact, He paid a huge price to deal with the problem of sickness.*** Sickness did not exist in the original creation nor does it exist in Heaven.

Whenever a person opens a door of his life to the devil, he is giving him license to destroy him. That same person then turns around and blames God for it. Most people have believed this lie at one time or

another. ***The devil is the one who causes sickness and disease by using all kinds of demonic entities to bring this about in the lives of people.***

At the Cross of Calvary Yashua broke the power of sin and disease so that we no longer need to be in a state of bondage subject to the power of the devil. ***In the name of Yashua, Jesus Christ of Nazareth we have authority over all the powers of darkness that may attack you including spirits of infirmity, bondage and disease.*** All these spirits are sent to torment the people on this planet.

As a child of the Heavenly Father you have the right to tell these spirits in your body to leave and they have to submit and obey in the mighty name of Jesus. You can be healed right now if you begin to speak to the disease in your body as if they were demon, telling it to leave. ***You have authority as a believer to do that. We are living in a time when every believer needs to know his authority in Christ Yashua.***

One of the reasons that many Christians are sick in their bodies is that they do not know these things that we are talking about. ***No one can receive something that they do not know, or appropriate something that they do not believe in.*** You shall know the truth and the truth shall set you free if you believe it and act on it. Once you have believed and acted on it, expect to see results. Expectation is a wonderful thing.

First you need to identify the demonic power that is associated with the disease attacking your body. If you do not know the name, just call it by the name of the sickness. ***Take authority over the spirit of infirmity in the name of Jesus and command it to leave your body.*** Say: "In the name of Jesus I take authority over you spirit of ____ and command you to leave this body now, and you will obey and go."

Yes, we have authority to do that and much more. As you believe in faith without wavering, the sickness will leave and release your body. The spirit of infirmity will leave in the mighty name of Yahushua. Shalom.
