THE LIVING WORD #4

Luke 24:30-32 *"And it came to pass, as he sat to eat with them, he took bread, and blessed it, and broke it, and gave to them. And their eyes were opened, and they knew him; and he vanished out of their sight. And they said one to another: Did not our hearts burn within us, while he talked with us by the way and opened to us the scriptures?"*

What a wonderful thing to be able to open the Holy Bible and read the words of our Creator spoken through the prophets and apostles of old. Mere men like unto us, but men that knew Him, and felt the heartbeat of His heart. It is something how He can still speak to us today through His Word. It does not matter how you feel, what you are going through, *whenever you open the Word and you begin to read, His Holy Presence descends.*

As His Spirit descends, you begin to experience His love, warmth, compassion and before long you begin to see things through His eyes. What a difference it makes *to see things from an eternal perspective; to be set free from the yoke of carnal passions and material deception, and experience even if for a few fleeting moments, the bliss of His Eternal Divine Agape Love.*

As I have traveled through the years, believers have come up to me and asked me to pray for them so that they would have more desire to read the Bible. Although I did pray for them, *I often wondered why was it that they did not enjoy reading the Bible; the book that contains so much information about the One I love; the one my heart longs for.* The only book I know that contains the Living Words of my Creator and Savior.

It is a mystery to me how this could be. How could anyone truly meet Him and not fall in love with Him the

same way I have? *How could you spend time in His Word and Presence and not experience a Divine impartation that brings about a massive realignment in your soul?* Sometimes I wonder if most realize how important it is to get into the Word, and the changes it will bring into your spiritual life.

Jesus Christ Yahushua said that a good person has a good treasure within them. The original Greek word used here speaks about something that has been deposited or hoarded. In other words, it is the things that we have fed into our hearts. *When we feed in the good, positive things from the Word of God we will be able to share of the inner treasure that we have collected.*

However, if you have been depositing into your heart all the lying, cheating, hateful, lustful pictures, words and sounds that you get from TV or worldly novels, then it is those things that will come forth whenever you go come to a place of testing. Pressure comes into our lives to test what is really in our hearts:

Luke 6:45: *"The good man out of the good treasure of his heart brings out that which is good, and the evil man out of the evil treasure of his heart brings out that which is evil, for out of the abundance of the heart, his mouth speaks."*

The cells in our brain are continually dying and being renewed year by year; month by month; week by week; day by day. What was present in your mind today may not be there a year from now. *Maybe that is the reason why we need to read the Word of God daily so that our minds may be renewed daily (Romans 12:2).* Oh, the wisdom of our Heavenly Father! May He give you a hunger and desire for Him and His Holy Word. Shalom.
