## "DO YOU KNOW WHAT TIME IT IS?"

***And the angel whom I saw stand upon the sea and upon the earth lifted up his hand to heaven, and swore by him who lives forever and ever, who created heaven, and the things that are therein, and the earth, and the things that are therein, and the sea, and the things which are therein, that there should be time no longer. Revelation 10:5-6***

I wish I could have a more positive word today, but it is hard to be optimistic when everywhere you look, things are falling apart. I have never been one to sugarcoat things, so I am just going to share what is in my heart, and what I have seen and heard from the Lord.

Three years ago in January 2007, I had an unusual experience happen to me. I was about to turn in after watching the news and weather on TV when I heard a voice coming through the speaker saying: "Do you know what time it is? It is 12:20 am" As I turned the TV off, I looked at the digital clock on the table and it said 12:20 am. Knowing how the Lord talks to me, I knew right away that He was trying to tell me something very important.

I was directed to the book of Ezequiel 12:20 to end of the chapter and what I read made the hairs in the back of my neck stand on end. I did not want to accept what the Lord was saying to me; but as a watchman, in my spirit I knew that this was a message from God that He wanted to tell His people. ***Most of God's people do not have a clue of what is just ahead***, and they are not prepared to deal with it. Recently in the middle of the night, the lord told me that I have been given eyes to see, ears to hear, and a staff to lead His people.

***I have been shown by the Lord that there is not much time left, and very soon the door of grace will close and tribulation will begin.*** Everywhere I look, I see the hour getting late and soon there will be no more time; ***the end of times is just ahead.*** I have been instructed to tell God's lambs what time it is; ***there is great darkness coming upon the earth, and there is a lot of activity going on in heaven right now.*** I know that this is a very hard and difficult word to receive, and even harder to act upon.

The world is on the verge of economic chaos as God is going to bring the nations to judgment before the great and terrible Day of the Lord. In His mercy, many times God has sent us warnings to get our attention, for us to repent, turn back to Him and prepare for the evil

that is to come. ***We are about to enter great tribulation.*** Soon we will be in the night season where no man can work. The church has to prepare now to bring in the harvest, before chaos comes to the cities. Whatever it is God asked you to do, you must do it now.

***Planet earth is hemorrhaging its life blood (oil) from a very deep wound within the Earth's core in the Gulf of Mexico.*** This oil has been called abiotic, that means that it is made without biological influence. Now there is now way to close the wound except through the use of a nuclear device. This will either solve the problem, or trigger something much more devastating. Even President Clinton said that is now the only thing that will work. ***We must pray now.***

Also, as we get closer to the center of the Milky Way, electro-magnetic waves are beginning to pound the Earth from the Central Sun at the center of our galaxy. Stress is building up in our entire solar system. ***Our once yellow Sun is now a white light sun*** which is showing electro-magnetic, x-ray, and other disturbances according to credible scientific sources, ***which in turn is affecting the climate changes on Earth, Mars, Venus - indeed all the planets***, as major earthquakes increase and dormant volcanoes wake up.

There will be a harvest in the earth, but first the Lord will shake heaven and earth to gather it in. If the church rises up and brings in this harvest, it will be the church's finest hour as a great harvest of souls will be brought into the Kingdom. If God's people repent and turn to Him with a clean heart, He I will receive them and grant a reprieve. If the church draws back in fear and self preservation however, this opportunity will be lost and judgment and darkness will take place ***as the hour of tribulation unfolds.***

Intercessors need to cry out for America during her time of affliction and war, that God might spare her from His fury and that He might deliver her from her evil ways. Be not discouraged for what your eyes see and what your ears hear. ***Cry to the Lord in the day of your affliction and He will hear you and deliver you.*** Cry out for the sin that is all around you. Cry to the Lord of the Harvest, that He might have a Holy Remnant in this land. Precious people of God, be not burdened with this world and its false hope, but cry out to Him to be delivered from this false sense of security. ***Only in His arms will there be safety and protection in the coming days. Selah.***
