A MESSAGE TO AMERICA

July 4, 2024

And the LORD answered me, and said, Write the vision, and make it plain upon tables, so he may run that reads it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarries, wait for it; because it will surely come, it will not delay. Habakkuk 2:2-3

As America is getting ready to celebrate its Independence this July 4th, *there is a sense of foreboding in my heart as I look and see what lies ahead.* However, I also have a sense of joy and Shalom. It feels similar to what the apostle John said in the book of Revelation concerning the little scroll given to him by the angel, as the angel told John that the little scroll would taste sweet as honey in his mouth, but turn his stomach bitter. The things getting ready to happen in this nation, feels the same way.

God has set me as a watchman over this nation. I was not His first choice. He could have chosen someone else better qualified to do this work, but I believe that they were not willing to do what was required of them. The Almighty is not looking for perfect vessels, but yielded obedient vessels.

We will soon be reaching a very dangerous fork in the road right ahead, where the very destiny for this nation is at stake. We are entering a season where God is pleading with the people of this nation to turn back to Him and to put Him first in their lives, and forsake all the other gods of the heathen. He wants His people to look to Him for help, provision and direction, not the government, politicians or any human being.

Deuteronomy 30:19 *"Today I am giving you a choice of two ways. And I ask heaven and earth to be witnesses of your choice. You can choose life or death. The first choice will bring a blessing. The other choice will bring a curse. So choose life! Then you and your children will live."*

In the middle of the night [7/4/2019 I had a vision of the night](#) while I was asleep. I had been praying for several weeks asking the Almighty to reveal to me what He wanted me to know regarding events that were getting ready to take place in the future so that His people would be able to prepare. This prophetic warning [was fulfilled on the exact date that I was given by the LORD.](#)

I saw what appeared to be a huge blackboard appear before me, and I was shown two numbers. *The first number that I saw, I knew in my spirit that it was a date.* The second one I felt that it was a scripture that was being shown to me, although later on I found out that it also represents the same date written in a different way. I saw both numbers in digital form appear in the darkness, as if it were a large blackboard shown to me. The first number I saw was:

2.22

As I watched this number, I knew in my spirit that it was a very important date that was being shown to me. Then as I was watching, the number grew dim until it completely disappeared and another number began to slowly appear in its place. The second number that I saw was:

22.2

I learned since then that it also represents the same date written in a different way. As I was awakened from this vision of the night I got up and wrote down this experience which I knew was a message from God. As I prayed and meditated on this experience, I knew in my spirit that the number was a date referring to [2/22/2022.](#)

I knew that *this was a marker for a very significant event that has been set in heaven to occur on that date that would affect this nation and the world.* On that date that the Almighty revealed to me, is [the exact date that Russia invaded Ukraine.](#) This event started the war that is taking place right now between Russia, Ukraine, NATO and the US, and has brought us to where we are today; [on the verge of WW3.](#)

Some incredible information was sent to me by one of our precious intercessors who lives overseas. I have since then, done some additional research and much prayer on the matter. There is a connection between signs in the heavens, planets and what happens on earth.

Psalms 19:1 *The heavens declare the glory of God; and the firmament shows his handiwork.*

According to information that came out, the [planet Pluto returns over America on 2.22.22](#) as it was 248 years ago on July 4th, 1776, the very day the United States was founded. This is very interesting to say the least, that on the very day that this nation celebrates its independence, is exactly the day when the Most High decided to give me this incredible vision on 7/4/2019. I am deeply humbled.

7/4/2019 IS WHEN 'I AM' GAVE ME THE 2.22 VISION

Some people might think that this is just pure coincidence. There are no coincidences with the Great I AM. I have learned in my own life experience, that everything that happens on this world happens for a reason. *The bad evil things that take place is because there was no one to stop the evil men from doing them.* After doing some research on this subject, I am totally persuaded that this date was a significant marker in heaven, concerning the destiny of this nation, and the whole world.

Historically, whenever this planetary shift has taken place, it has [brought down empires](#) and great changes to various countries. According to astronomers who study these things, Pluto returns take 247 odd years to occur.

Psalms 19:1 *The heavens declare the glory of God; and the firmament shows his handiwork.*

We do not believe in astrological horoscopes, but we do believe in astronomy and the fact that the Great Creator, I AM created all things, and put all of those stars and constellations in the heavens for a sign to those who would pay attention to these things. *The sons of Issachar are mentioned in the Bible as men who had understanding of times and seasons.* According to the Targum, they were highly skilled in the understanding of astronomy, constellations, signs and stars.

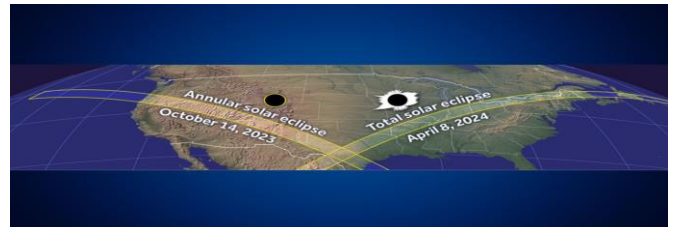

The heavens declare the glory of God, says the Psalmist. According to Dr. James Kennedy author of the book "The Gospel in the Stars", there exists in the writings of virtually all civilized nations of the world a description of the major stars in the heavens; something which might be called the "constellations of the zodiac" or the "signs of the zodiac," of which there are 12. The real meaning of the Zodiac is to reveal God's plan of salvation. The stars point to the Creator.

it's interesting that during a time when America is going through so much turmoil, and so many have talked about "civil war," *we experienced a planetary lineup that has not happened since 1776.* The date of February 22, 1732 also happens to be George Washington's birthday. He was the one that led this nation through the war of independence, and later became the first president of the United States.

George Washington was also given a [vision and prophecy concerning the destiny of the America.](#) When you add this new revelation to all the things that have been happening in the last

two years like the strange portal like formations over the White House being recorded by people; connected to rumors of the dark side tried to open a portal on 2/22/2022 over the White

We also need to mention the importance of what happened this past [4/8/2024 when a total solar eclipse took place in the US forming a cross over the US with the annular solar eclipse that took place in 10/14/2023, while at the same time passing over 7 US cities named Nineveh.](#) What are the chances of this happening? These two solar eclipses happening in two consecutive years forming an X over this nation is definitely a warning to this nation from the LORD.

The *children of darkness* and of this world *are wiser than the children of light.* The seed of the evil one are very adept at interpreting these heavenly signs, and preparing in advance to take advantage of these events by positioning themselves and acting accordingly. Christians today should pay close attention to these signs and be more proactive than reactive. It appears that the prayers of the intercessors have impacted the Highest Court in the land with three key important rulings:

[The Supreme Court Overturned Chevron Decision](#)

[SCOTUS Overturns Use of 1512\(c\)\(2\) in J6 Cases](#)

[SCOTUS Rules Ex-Presidents Have Broad Immunity](#)

Recently Chris Reed from Morning Star Ministries had a vision concerning what is getting ready to happen within this nation and the turbulent times that we will go through as a nation which will give birth to a new baby American Republic. All should remember that [America was dedicated to God back in April 30, 1789.](#) People should also remember that George Washington made a [covenant with God over America.](#)

While 7/4/1776 is the date the Declaration of Independence was approved by Congress, it wasn't until April 30, 1789 that the United States swore in its first president under the Constitution. After Washington's inauguration, he delivered his inaugural address on April 30, 1789 in the old city hall in New York. After addressing Congress, Washington walked up Broadway between rows of saluting militiamen to St. Paul's Chapel, and there he prayed for America.

St. Paul's Chapel, constructed in 1766, is the oldest church building in Manhattan. Located less than 100 yards from the World Trade Center site, the church became known as ["The Little Chapel That Stood"](#) after it survived the collapse of the Twin Towers on 9/11. It is widely believed the church was protected by a giant sycamore tree that was planted in St. Paul's graveyard. Selah! Pray for America!
