

The election is less than two weeks away. A war is being waged by the Corrupt Establishment Elite, Media and DNC to stop God's Cyrus from becoming President of the U.S. The bias in favor of HC and against DT has become so blatant that the media has lost any semblance of objectivity that it may have had left. *The final battle for the soul of America is being waged right now.*

Be not mistaken, if you want to preserve what's left of this country and delay the inevitable for a few more years, you have no choice who to vote for in this upcoming elections. *Do not be misled* by the respectful facades of the people bringing railing accusations against DT. These are the very *same people who secretly meet behind closed doors and worship the devil in demonic rites.*

*They are puppets of the devil and his minions, who smile at you with big smiles while at the same time shedding innocent blood,* planning the destruction of America and the whole world. If you believe the flood of negative propaganda the media monsters are pushing down your throats and choose to ignore the warnings concerning this upcoming election, do so at your own risk.

In doing so, you will make the same mistake the German people made back in the 1940's *whenever they turned a blind eye to the danger they faced.* If HC gets into the WH, liberal Supreme Court Justices will be appointed that will rewrite laws affecting our Christian liberties and open the doors for the likes of Soros to sink their talons deep into our land and destroy it for good.

The choice this nation faces on this upcoming election is simple; an imperfect man who may not fit your expectations but who God will use to (in his own words) drain the swamp in Washington DC, or a corrupt candidate who is a part of an antichrist system that *wants to tear down the very foundations of Christianity in America.*

HC and the liberal left have shown that they have nothing but contempt for family, traditional values and our Christian heritage. According to hacked Podesta emails from WL, HC confidants have mocked evangelicals and Catholics. *We are in a deadly battle right now for the very soul of this nation* that will be decided at the polls during the upcoming November 8 Presidential elections.

You have the ability in this country right now to fight back the enemy and the evil plans he has for you and this nation with intercessory warfare, and at the ballot box in the form of votes. *If you do not stand up right now for what is right, the persecution of true believers in our LORD Jesus Christ will intensify in the coming years not only in this nation, but all over the world.*

Any negative comment against the religion of Islam is defended immediately by president BO as well as HC. Yet others may say and do much worse against Christianity and believers in this nation and all you hear is silence from them. *During the recent Gettysburg address DT said that he wanted to replace the present US government with a new government by and for the people.*

The spirit of Korah is upon many people right now who are speaking against God's choice for leader of this nation. *Rebellion against God's authority and choice for a leader had severe consequences back in the days of Moses.* Earth opened up and swallowed their families and possessions. Fire came down from heaven and killed those who joined with Korah in rebellion.

The same thing will happen again (**Num. 16**). *Those who are sensitive to God's voice will know who the LORD wants in the highest office of the land.* They will hear and understand that God has raised up DT as His Cyrus to govern this nation and give His people a chance against the demonic onslaught that is rising up from the pit of hell.

I know that DT carries the mantle of Cyrus, and that He is God's chosen one for this hour. This has been confirmed to me by the LORD in a real time, tangible prophetic experience I had during a recent trip to Cincinnati, Ohio that I took with my wife earlier this year. *Cyrus will break off the strongholds of the elite who seek to usher in NWO and Global Religion into our nation.*

*"Thus says the LORD to his anointed, to Cyrus, whose right hand I have held, to subdue nations before him; and I will loose the armor of kings, to open before him the two-leaved gates; and the gates shall not be shut; I will go before you, and make the crooked places straight: I will break in pieces the gates of bronze, and cut asunder the bars of iron." Isaiah 45:1-2*

Cyrus II of Persia, commonly known as Cyrus the Great was used of the Most High to conquer the Babylonian Empire. King Cyrus was a man with an upright heart who respected the customs and religions of the lands he conquered. During his 1st year King Cyrus issued a decree to rebuild the House of God in Jerusalem (**Ezra 6:3-12**).

Daniel the Prophet and God's people prospered under the reign of King Cyrus of Persia (**Daniel 6:28**). He even made a decree after Daniel was

delivered by the Almighty from the den of lions that the God of Daniel was the true living God.

**Daniel 6:26-27** *I make a decree, That in every dominion of my kingdom men tremble and fear before the God of Daniel: for he is the living God, and steadfast forever, and his kingdom that which shall not be destroyed, and his dominion shall be even unto the end. He delivers and rescues, and he works signs and wonders in heaven and on earth, who has delivered Daniel from the power of the lions.*

The welfare of this land, you and your family depend on whether God has His way in this upcoming election. I pray that the people of this nation *do not fall prey to the wiles of the devil through media mind control, rigged polls and vicious attacks on God's choice for president of this nation.* This effective strategy is deceptive and has one goal; discourage you so that you quit.

There is some discouragement that has begun to come upon the Church as a result of this. This is not the time to quit and lay down your weapons of warfare. You must fight discouragement and stand on the promises of God. *The Church must not forget that we are the children of the Most High; commissioned to pray for these things.*

The leftist controlled media has attacked DT over his repeated allegations that the election is rigged. However, according to recent revelations *there is a growing concern that many voting machines in a significant number of states have been linked to a company that is tied directly to billionaire globalist leftist George Soros, who is personally funding Hillary Clinton's campaign.*

There is much fraud that's already taking place at the voting precincts. Votes being switched by the machines from DT to HC, and *the ability to track the votes with paper trail outlawed in some states.* This has been done for many decades by the DNC leftists/socialists. However, this election is so crucial, that this must be stopped and not allowed to take place at any cost.

This ministry has fought for this nation for many years that the LORD might stay His hand of judgment and bring healing to this land. We have been resisted by many self righteous preachers, watchmen and *those who were filled with spirits of fear, doubt and unbelief; who had the spirit of Jonah and wanted to see this country destroyed.*

Many, thinking that the battle was over have quit; threw down their swords and took off their armor. However, this year we saw the beginning of the dismantling of the NWO agenda with the Brexit vote and UK exiting the European Union. *A similar process is now in motion to remove the NWO demonic talons from this land.* The battle is not over my friends; it has merely begun.

This nation is at a crossroads and probably the most dangerous time in its history. We are fast approaching the time when George Washington's vision of a global war involving this country will be fulfilled. Fighting and bloodshed may once again fill the streets of America regardless of who wins the election on November 8.

However, it does matter who is leading this nation when this happens. *There is an ancient proverb: "The enemy of my enemy is my friend." These words have never been truer than now. TIME IS SHORT;* take what is written here to prayer, and ask the Holy One of Israel to guide you as to what to do in the remaining time. **PRAY AND ACT.** Shalom my friends.
