“THE DOUBLE PORTION OUTPOURING (PART V)”

Yea, the stork in the heaven knows her appointed times; and the turtle and the crane and the swallow observe the time of their coming; but my people know not the judgment of the LORD. Jeremiah 8:7

The times just ahead of us are both wonderful and terrible. **A major outpouring is getting ready to take place very soon all over the world.** This will be the last outpouring and it will bring about a bountiful harvest of souls. This divine visitation will not occur as most people believe, but will take place in the throes of tremendous global upheaval. I am not sure as to the exact order in which it will happen; before, during or immediately after the difficult times ahead, but it will take place.

The Lord is very merciful and compassionate and will never allow adversity to overwhelm us without giving us the opportunity to prepare and get our house in order. **Right now the Lord is preparing this nation for His glory through much repentance and intercession,** which is the way all revivals commence. This will lead many to start living a life of the Spirit, wherein a pure and holy visitation from the Lord will be ushered in.

There is a church within a church rising up in the midst of a corrupt, contaminated and worldly religious system that is about to be manifested for all to see. **Many will be taken down from their positions of authority because their authority was not from the Lord.** Those who are righteous and have His heart will now be promoted to take seats of authority in His Kingdom. These are the company of overcomers who have been prepared and made ready for

such a time as this. They will be wise beyond understanding; they know the Lord and walk with Him everyday.

These reigning sons of God have been purged by fire, tested and have been found faithful. They do not do things out of whim, fear or human reasoning, but are moved by the Holy Spirit. The rod of government and kingdom authority resides with them. They move in awesome signs and wonders, and carry a sword in their mouths that divide soul and spirit, real from fake, truth from error bringing healing, judgment, salvation and unity.

They will prepare the bride of the Lamb with battle strategy, and equip her with power from on high to become a mighty warrior anointed for battle. These anointed golden vessels will be given counsel for spiritual warfare from behind the veil about what must be diligently taught to His people, and will proclaim the oracles of God to the Church and to the world. **Those who heed their counsel will find much safety in the treacherous times ahead.**

The devil and the kingdom of darkness fear their coming so much that they are trying every way possible to stop or destroy them before they are birthed, and their ministries reach full potential. The Lord has shown me that this glorious outpouring of His glory will not take place in America without deep intercessory prayer by His Church. This is an awesome privilege and a tremendous responsibility.

May the Lord grant His people the wisdom and the understanding to grasp the seriousness of the hour and do that which He has commissioned us to do. Shalom my friends.
